Dear Ms. Rollings-McDonald:

RE: Request Continuance of LAFCO 3141, 3097, 3098

I am writing on behalf of constituents currently residing in an existing sphere of influence assigned to the Beaumont-Cherry Valley Water District as well as the proposed sphere of influence expansion boundaries for San Gorgonio Pass Water Agency.

These residents have been a part of the San Bernardino Valley Municipal Water District's sphere of influence since 1973. And this is how they wish to remain.

These constituents seek a continuance on the above referenced items so that they may work with LAFCO staff to accommodate their requests. I am writing to formally request that you grant a continuance on this matter so that they may utilize the available mechanisms needed to facilitate their removal from the Beaumont-Cherry Valley and San Gorgonio Pass water jurisdictions.

Sincerely,

A handwritten signature in black ink, appearing to be "Neil Derry".
