Re: Request Continuance of LAFCO 3141, LAFCO 3097, LAFCO 3098

Dear Ms. Rollings-McDonald,

The Wildlands Conservancy (TWC) wishes to request that the consideration of the above-named proposals be continued. TWC owns land adjacent to these areas that are being considered for inclusion under the Beaumont-Cherry Valley Water District and the expanded boundaries of the San Aragonio Pass Water Agency. TWC agrees with the affected landowners that their lands properly should remain within the sphere of influence of the San Bernardino Valley Municipal Water District.

We agree that our neighbors should be allowed to remove themselves from the sphere of influence of both the Beaumont-Cherry Valley Water District and the San Aragonio Pass Water Agency. Continuance of the proposals will enable these changes to be worked out cooperatively with LAFCO and the agencies. Thank you.

Very truly yours,

Heidi Aron, Esq.
