Dear Ms. Rollings-McDonald:

In my letter of January 28, 2009 to you, beginning with the last paragraph on page one and continuing to the top of page two, I outline discussions with the City of Victorville that would result in the detachment of a small portion of land in the North East section of Adelanto to the City of Victorville. More specifically, that land just west of Helendale Road, then east to the City of Adelanto's boundary.

At this time, I am rescinding that statement in the letter as Adelanto does not wish to have the detachment take place or included in the Sphere Review for Adelanto currently being performed. Further discussions with Victorville will be occurring and if an agreement is reached, it will be processed as part of the City of Victorville's Sphere Review.

If you have any questions, please contact me.

Sincerely,

D. James Hart, Ph.D.

City Manager
