**SUBJECT: AGENDA ITEM #6 – NOTE RECEIPT OF PROPOSAL INITIATED BY  
PROPERTY OWNER PETITION – LAFCO 3147 - REORGANIZATION TO  
INCLUDE ANNEXATIONS TO COUNTY SERVICE AREA 42 (ORO GRANDE  
SCHOOL DISTRICT)**

---

**BACKGROUND:**

State law requires that any proposal involving annexation to a special district that has not been initiated by resolution of the district shall be placed on the next available Commission agenda as an informational item (Government Code Section 56857(a)). The Oro Grande School District has initiated, by property owner petition, a reorganization proposal which includes the annexation of approximately 57 +/- acres contained in two separate areas to County Service Area 42. The purpose of the annexations are to include the territory within the agency which can provide the range of services needed to a proposed junior high/high school site and an existing school facility. A map of the reorganization area is included as an attachment to this report.

Notification under Government Code Section 56857(a) also sets in motion a 60-day time period in which County Service Area 42 may submit a resolution of opposition to the reorganization proposal. This 60-day time period began on June 1, 2010, through notification to County Service Area 42 that the application had been received, and will expire on July 30, 2010.

No action is required of the Commission other than to note receipt of the proposal.
