## City of Adelanto

**Adelanto Governmental Center**
11600 AIR EXPRESSWAY
ADELANTO, CALIFORNIA 92301

DATE: January 13, 2010

TO: Honorable Mayor and City Council

FROM: D. James Hart, City Manager

**SUBJECT:** ADOPTION OF RESOLUTION 10-03 SUPPORTING THE EXPANSION OF THE CITY OF VICTORVILLE SPHERE OF INFLUENCE

**STAFF RECOMMENDATION:**

The City Council approves Resolution 10-03

**BACKGROUND:**

For the past several years, City of Adelanto and City of Victorville staffs have been discussing the possibility of the City of Victorville expanding its Sphere of Influence to include a small portion of land currently within the City of Adelanto boundaries. The land, generally, is in the northeast section of Adelanto, just north of the Southern California Logistics Airport (SCLA) (map attached). In an effort to ensure there is a buffer to protect the integrity of the SCLA and its operations, Victorville and Adelanto looked at expansion of Victorville's Sphere of Influence so they could control the zoning in the area north of SCLA; currently under control of San Bernardino County and originally sought after by Helendale Community Services District. Following several years of discussion with Helendale Community Services District, boundaries that are acceptable to both Victorville and Helendale Community Services District have been agreed to. The agreed to boundary includes the small portion of Adelanto land.

In return for the City of Adelanto detaching the small portion of land and putting it into the City of Victorville Sphere of Influence, Adelanto will receive financial assistance from the City of Victorville for improvements to major intersections along Highway 395 from Mojave Drive north. Additionally, Adelanto will receive assistance for improvements to Adelanto Road from where it meets Highway 395 north to Colusa Road. Finally, Adelanto will receive assistance with improvements to Rancho Road from Adelanto Road west to Highway 395. The details of the agreement are being worked on my City staff and the City Attorney and will be memorialized in a Memorandum of Understanding between Adelanto and the City of Victorville and presented to both City Councils for adoption.

The attached Resolution was requested by the Local Agency Formation Commission (LAFCO) to be included in the action before them. Based on the financial assistance the City of Victorville is willing to provide to the City of Adelanto, staff is recommending that the City Council approves the Resolution.

**FISCAL IMPACT:**

Several Millions of dollars worth of improvements for Adelanto
