RE: Continuance of LAFCO Matter No. 3144

Dear Ms. McDonald:

The Lake Arrowhead Community Services District and Special Districts are attempting to resolve outstanding issues pertaining to County Service Area (CSA) 70 D-1. Dialogue between parties suggests that there is good reason to believe that these matters can be successfully resolved very soon.

In order to accomplish this attempt to reach a resolution, I would respectfully request that LAFCO continue the hearing date for item 3144 scheduled for July 21 to September 15.

It is my understanding that all parties involved consent to a continuance without objection.

Respectfully,
