Subject: Continuance of LAFCO Matter No. 3144

Dear Ms. McDonald,

Thank you for taking time to meet with the stakeholders regarding the subject issue June 30, 2010.

Based on the direction of the conversation and representations by the Special Districts Department, Lake Arrowhead Community Services District has no objection to continuing the Hearing on the subject from July 21, 2010 to September 15, 2010 to allow the process time for additional clarification.

LACSD staff appreciates all of the diligent and detailed work you and your staff have researched.

Please contact me if I can provide additional information.

Best regards,
