Dear Ms. Rollings-Mc Donald:

Thank you for meeting with the Joshua Basin Water District and other agencies to discuss the Service Review and Sphere of Influence Update for Joshua Basin Water District.

This letter will confirm that our staff has reviewed the proposed sphere of influence expansion of 160+/- acres within Section 29 of Township 2 North, Range 6 East, San Bernardino Meridian to the Joshua Basin Water District.

After considering the ability of adjoining water districts to serve the area, drainage patterns, topography, and other factors, we have no objection to the proposed sphere of influence expansion to the Joshua Basin Water District.

Sincerely,

Joe Guzzetta
General Manager
