Dear Mr. Martinez:

Please consider this letter Special Districts' response to the CSA 20 (Joshua Tree) service review and sphere of influence update as identified in your LAFCO staff report. Special Districts has no opposition to the following recommendations:

1. LAFCO staff's recommendation to expand CSA 20's sphere (by approximately 5.25 square miles) to match Joshua Basin Water District's existing sphere – and whether the District consents or has no opposition to the proposed sphere expansion (discussion identified on page 33 of the draft report); and,
2. LAFCO staff's recommendation that the road function should be removed since CSA 20 has never provided this service (discussion identified on page 34 of the draft report).

Sincerely,

James A. Oravets
