**SUBJECT: AGENDA ITEM #8 – LAFCO 3133 – SERVICE REVIEW AND SPHERE OF INFLUENCE UPDATE FOR CRESTLINE SANITATION DISTRICT**

---

**STAFF RECOMMENDATION:**

Staff recommends that the Commission continue the consideration of LAFCO 3133 to the April 21, 2011 hearing.

**BACKGROUND:**

At the January 19, 2011 hearing, LAFCO 3133 was continued to March to allow for completion of contract negotiations between the Crestline Sanitation District and the State of California Parks Department related to the operation of the Cleghorn Treatment Plant, with CalFire for the Pilot Rock facility, and with Las Flores Ranch for disposal of treated effluent on its properties. In the interim between hearings, only the Las Flores Ranch contract has been signed, the others are still being processed. Therefore, LAFCO staff, in consultation with the Crestline Sanitation District, is recommending that the matter be continued to the April 21<sup>st</sup> hearing.

Staff will be happy to answer any questions prior to or at the hearing.
