Re: Municipal Services Review for City of Big Bear Lake, Department of Water & Power

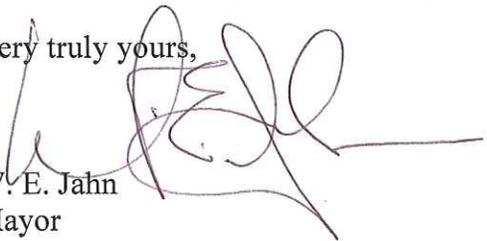

Dear Ms. Rollings-McDonald:

It is our understanding that you met with representatives of the City of Big Bear Lake Department of Water & Power (the DWP) on January 11, 2012 to discuss the draft Municipal Services Review (MSR) for the DWP. We understand that the meeting was quite productive in discussing the MSR and how the Commission and DWP can move forward cooperatively.

It is also our understanding that the DWP will not be able to complete their efforts prior to the Commission's February 2012 meeting. For that reason, the City respectfully requests that the Commission continue its consideration of the MSR until at least June, 2012.

Once again, the City would like to thank you and your staff for meeting with the DWP on January 11, 2012 and we look forward to making progress towards our joint goal of providing governmental services as efficiently and effectively as possible.

Very truly yours,

W. E. Jahn
Mayor
