

REPORT/RECOMMENDATION TO THE BOARD OF SUPERVISORS  
OF SAN BERNARDINO COUNTY, CALIFORNIA  
AND RECORD OF ACTION

May 23, 2006

**FROM:** NORMAN A. KANOLD, Assistant County Administrator  
Public and Support Services Group

**SUBJECT:** LAFCO NO. 3000 – County Fire Department Reorganization

**RECOMMENDATION:** Adopt Resolution No. 2006-147 determining the property tax revenue amounts to be transferred from all Board-governed special districts having fire and related emergency powers to the Yucca Valley Fire Protection District, as detailed on Exhibit "A" of the resolution, in the total amount of \$29,967,639 for current secured property taxes that are estimated for FY 2005-06, as a result of the pending reorganization related to LAFCO No. 3000 (County Fire Department Reorganization).

**BACKGROUND INFORMATION:** Local Agency Formation Commission (LAFCO) No. 3000 pertains to the reorganization of the San Bernardino County Board-governed fire entities. On July 26, 2005 the Board of Supervisors approved the submission of an application to LAFCO for the proposed reorganization of the County's 27 separate Board-governed fire district operations into one county fire protection district (the San Bernardino County Fire Protection District). This district, in turn, would be subdivided into four major regional improvement districts (Valley, Mountain, North Desert, and South Desert) in order to preserve the property tax and other local revenue base for each region.

To accomplish creating one county fire protection district, the reorganization includes the following actions:

1. Annexations to the Yucca Valley Fire Protection District and renaming to the San Bernardino County Fire Protection District.
2. Dissolution of the Central Valley Fire Protection District, Forest Falls Fire Protection District, Lake Arrowhead Fire Protection District, County Service Area 38 and its Improvement Zones B – Angelus Oaks, D-Victorville, E-Summit Valley, H-Colton, I-Needles, J-Big River, K-Spring Valley Lake; L-Highland Paramedic, M-Yucaipa Paramedic, N-El Mirage, O-Baldwin Lake, and Q-Helendale and CSA 70 Improvement Zone FP-1 (Windy Acres), and PM-1 (Lake Arrowhead Paramedic)

3. Removal of:
  - a. Fire Power from County Service Areas 20 – Joshua Tree, 29 – Lucerne Valley, 30 – Red Mountain, 53 – Big Bear, 53B – Fawnskin, 56 – Wrightwood/Pinon Hills; 56F-1 – Pinon Hills, 70 – Unincorporated Countywide, 70HL – Havasu Lake, 70-M – Wonder Valley, 70W – Hinkley, 79 – Green Valley Lake; 82 – Searles Valley, 82 SV-1 – Searles Valley
  - b. Ambulance Power from County Service Area 29 – Lucerne Valley, 56 – Wrightwood, 70 – Unincorporated Countywide, 82 – Searles Valley and 82 SV-1 – Searles Valley
  - c. Disaster Preparedness Power from County Service Area 63 – Yucaipa/Oak Glen; and,
4. Formation of Improvement Districts within renamed San Bernardino County Fire Protection District as follows: Valley Improvement District, Mountain Improvement District, North Desert Improvement District, South Desert Improvement District, Improvement District FP-1 (Red Mountain), FP-2 (Windy Acres), PF-3 (El Mirage), FP-4 (Wonder Valley), PM-1 (Lake Arrowhead Paramedics), PM-2 (Highland Paramedic), and PM-3 Yucaipa Paramedic)

In order for this reorganization to be considered, LAFCO must issue a Certificate of Filing (COF), which is contingent upon the completion of the property tax transfer process. In accordance with Section 99 of the State's Revenue and Taxation Code, the Board of Supervisors, on behalf of all Board-governed special districts having fire and related emergency powers as well as the Yucca Valley Fire Protection District, is required to approve the property tax revenue exchange prior to issuance of the COF.

The transfer amounts in the above recommendation were determined by the Auditor/Controller-Recorder through an identification of the amount of property taxes currently allocated to the affected special districts proposed for dissolution and the revenues attributable to fire and related emergency powers proposed to be removed, which would then be transferred to the Yucca Valley Fire Protection District (A.K.A. the San Bernardino County Fire Protection District). Districts having multiple service functions with property tax splits were computed based on historical allocations and coordinated with the Special Districts Department. The County Administrative Office (Public and Support Services Group Administration) will continue to work with LAFCO and the Auditor/Controller-Recorder to ensure the appropriate distribution of these ad valorem tax revenues to the regional improvement districts.

**REVIEW BY OTHERS:** This item was reviewed by the County Administrative Office (Wayne Thies, Administrative Analyst, 387-5409) on May 19, 2006; and by LAFCO (Kathleen Rollings-McDonald, Executive Officer, 387-5866) on May 19, 2006. This item has also been coordinated with the agencies impacted by the pending reorganization such as the County Special Districts Department.

**FINANCIAL IMPACT:** This property tax transfer shall only be effective upon the satisfactory completion of the reorganization proceedings. Once completed, the property tax revenues will be transferred to the consolidated district. It is anticipated that as a condition of the LAFCO approval of the reorganization, revenues will be distributed to their respective newly created regional improvement districts and the San Bernardino County Fire Protection District. The recommended action for property tax transfer has no impact on the County General Fund.
