

Community Outreach Results

The following tables contain the results from the interactive priorities game in which community members voted for amenities they would like to see in their downtown. Workshop #1 reveals the votes for the Chamber of Commerce and downtown business owners, and Workshop #2 shows the votes for the residents and MAC members. Outdoor dining was the preferred amenity by both groups with landscaping as their second choice.

Joshua Tree Community Outreach Workshop 1		
3-Sep-08		
Priorities Game		
Amenities	Value	Number of Votes
Outdoor Dining	\$100.00	17
