AT THE MUSEUM

Saturday, February 27:

History Day at the John Rains House!

Come make history with us, as you experience how families lived and played in California in the 1800s! Beat a rug and wash clothes the old-fashioned way! Make an authentic adobe brick that you can take home! Play with some old-time toys, and then make a whirly gig or a corn husk doll to take home! Cross-stitch a bookmark to show off your sewing skills! The John Rains House is located north of Foothill Boulevard, at 8810 Hemlock in Rancho Cucamonga. History Day is free and will run from 11:00 a.m. to 2:00 p.m.

Sunday, March 7:

All About Birds!

Birds are easy to find every day! Come to the museum to find out more about our feathered friends.

- 8:00 to 10:00 a.m. – Bird-watching at the museum! Bring your binoculars or borrow a pair of ours. The early bird-watcher catches the best birds! Ages 6 and up.
- 1:00 to 5:00 p.m. – Birds of a feather and beaks and eggs and flight! Join in games, activities, and interactive talks about these fascinating creatures. All ages.
- Bird activities and museum admission are FREE today!

Saturday, March 13: Embroidery!

Find out the difference between a running stitch and a daisy stitch, and then make a French knot! Come learn how to embroider your own project to take home. Embroidery takes time and patience, but we have fun embroidery activities for 5 year-olds on up! We will stitch along from 11:00 a.m. until 4:00 p.m. and activities are free with paid museum admission.
