Sponsorship Opportunities

The Wildlife Art Festival (WAF) returns for its 29th year to the San Bernardino County Museum on November 18, 19 and 20, 2011. The festival features wildlife and nature artists; art sales; the first West Coast exhibition of the top entries in the Federal Duck Stamp Competition; and 2,000 visitors from all over southern California.

Sponsoring programming at the San Bernardino County Museum is good business. Our supporters reach a highly diverse and culturally aware audience while providing essential program support at the museum.

We invite you to support this annual event by becoming a festival sponsor. Sponsors are recognized in a variety of ways, depending on the level of contribution, including: event tickets, print advertisements, on-site signage and event announcements, inclusion in event program, press releases, and posting of their names on the Museum website.

Together we can make a difference
