## Boy Scouts

**Indian Lore Merit Badge: April 14, 2012, 3 to 6 p.m.** (Cost is \$22.00 per Scout) Scouts will step back through time, exploring the interesting material culture of local California Indian peoples. This workshop guides Scouts through their merit badge requirements with ease, using authentic California Indian exhibits, games, and hands-on replicas. Don't miss out on this great opportunity to learn about the first Californians!

**Bird Study Merit Badge May 5, 2012, 7 a.m. to 3 p.m.** (Cost is \$38.00 per Scout) During this day-long workshop, Scouts will learn to identify birds by both sight and sound. You will become familiar with bird habitats and environmental influences as well as anatomy, bird calls, and field guide use. This workshop includes van transportation to a nearby birding hot-spot to find local bird species. Registered boys must travel with the group in the van. Participants should bring lunch, water, a snack, and dress appropriately for an easy hike. Bring binoculars if you have them; some binoculars will be made available during the workshop. Space is limited for this workshop.

Parents are welcome to participate, but workshops are **not** appropriate for siblings. Workshops are led by a Certified Badge Counselor. Boys must bring a Blue Card signed by their Scoutmaster.

Complete this form and return with payment. Payments are not refundable, but may be used for a different workshop. Reservations will be accepted and confirmations sent until 10 days before the workshop.
