

AVOID SUMMER BRAIN DRAIN DID YOU KNOW?

When children participate in summer activities that engage their brains through creativity and active thinking, they retain more of what they learn in school and are better prepared for the new school year.

MAKE YOUR SUMMER FUN AND PRODUCTIVE !

Join us for art, science, and history with engaging fun for the whole family.

MAKE THE SUMMER SPECIAL!

Find or encourage personal talents, while enjoying fun and creative activities.

Make memories and learn something new.
Bask in our air-conditioned building & connect with the kids in real time.

ACTIVITIES:

Observe local birds and create a color study for field identification.

Chase geese, capture your opponent, or find matching pairs of cute puppies with board games galore. Practice your strategic thinking, or just relax to the roll of the dice.

Let your creativity flow! Various forms of artistic expression salted throughout the summer. Come again and again for different media and methods.

History At Work and Play

Make housekeeping fun, 1880s style! Old styled housekeeping, candle making and playing with traditional toys offer a glimpse into the days before electricity and video games.
