

SAN BERNARDINO COUNTY MUSEUM

EDUCATION PROGRAMS: JANUARY–JUNE 2016

**LEARNING WITH REAL
STUFF IS FUN!**

SCHOOL FIELD TRIPS

Our program includes student “My Day at the San Bernardino County Museum” guides that augment classroom learning at every grade level. Each student guide is matched with a chaperone guide to help your parent chaperones reinforce learning. Students will interact with a real person and real museum objects at Gallery Carts. Pre- and post-trip activities round out the package for a fun-filled learning experience. Pre-scheduled groups also have a reserved time in the Exploration Station live animal gallery.

RESERVATIONS REQUIRED for field trips:
call (909) 798-8608 10 AM to 4 PM Tues.–Fri.

E-mail SBCM-Reservations@sbcm.sbcounty.gov

PAYMENT by cash, check, credit card, or purchase order.

CONFIRMATIONS: you will receive a pre-trip packet and reservation confirmation before your field trip.

EXHIBITS

Opens January in the Fisk Gallery

California Bling: Minerals from the Museum Collections

Feb. 1--28 in the Schuiling Gallery

Community Chronicles celebrating Black History Month.

Opens March in the Schuiling Gallery

Mysteries of the Museum Collection

On the lower ramps

Welcome to Our World. How do humans and animals interact with the natural world?

On the upper ramps

Remembering Ramps. Share stories about technology from the not-so-distant past.

In the History Hall

Turn Left at the Rockies: Mountain Men in San Bernardino County. California history from 1826 to 1850, from Spanish to Mexican to California to statehood.

In the Geology Hall

Fossils Underfoot. Fossils from the Museum collections.

In the Mammal Hall

North American Mammals

In the Bird Halls

Land and Water Birds

Outside: mining, lumbering, train, native plants, picnic areas, and more.

**Give us a call and see how a
Museum field trip can enrich
your core curriculum and bring
STEM concepts to life!**
