at the Victor Valley Museum, a branch site of the San Bernardino County Museum
11873 Apple Valley Road in Apple Valley ♦ 760-240-2111

PROGRAMS ESPECIALLY DESIGNED FOR FAMILIES WITH CHILDREN AGES 3 TO 12

Saturday, May 14:

Hurray for Herps!

Discover Reptiles and Amphibians

Scales, claws, tails, and slime – which are for reptiles and which are for amphibians? What's the difference between a frog and a toad? These and more fun questions will be answered during *Hurray for Herps!* Make some new reptilian friends between 11:00 a.m. and 3:00 p.m. This event is included with paid Museum admission.

Saturday, June 4:

Shake It Up!

All Geology, All Day Long!

Do you know how far you live from the famous San Andreas Fault? Are you ready for **THE BIG ONE**? How many minerals are at work in your computer and mobile phone? Why is the Mojave Desert where it is, anyway? Come have fun as you find out about these geologic facts and more, included with paid Museum admission, from 11:00 a.m. to 3:00 p.m.

Avoid Summer Brain Drain!

Thursdays: June 30, July 7, July 14, July 21, and July 28

Enjoy a potluck of fun, hands-on activities between 10:00 a.m. and 4:00 p.m. during the summer! You might design and make a desert mosaic. Perhaps you'll flap along as you learn about birds. Make some cool music or art. Avoid Summer Brain Drain at the Museum is a great way to enjoy the summer, and all of our activities are included in the price of museum admission.
