NATIONAL PUBLIC HEALTH WEEK (PSA)

From the water you drink, to the correct use of car seats, did you know that there are people behind the scenes who are constantly working to make us healthy? During National Public Health Week, April 6-12, take the time to thank the people who do so much. They bring you flu vaccines, ensure that restaurants follow health practices, and help us to quit smoking. And they do so much more. For more information please contact County of San Bernardino Department of Public Health at **1 (800) 782-4264** or visit <http://www.sbcounty.gov/dph>.
