Fire burned a vacant home late Thursday, Feb. 2, 2017, on the 6600 block of Del Rosa Drive in San Bernardino. (Google Earth)

SAN BERNARDINO >> Firefighters battled a vacant home fire late Thursday night.

Shortly after 11 p.m. firefighters were called to the 6600 block of Del Rosa Drive, where they found a vacant home fully involved, fire officials said.

“Upon arrival our crews reported a well involved fire burning in a vacant and boarded single family residence,” Battalion Chief Grant Hubbell said Thursday night. “An arson investigator was on scene.”

San Bernardino City Unified School District Police discovered the fire, which was in close proximity to Fire Station No. 6.

No injuries were reported.

## Arrest made in apartment fire

Mohave Valley Daily News

Posted: February 1, 2017, 11:59PM

NEEDLES — A Mohave Valley man has been arrested in connection with Monday's early morning apartment fire in Needles.

No one was injured in the blaze, which destroyed four units in Building 9 of Riverview Terrace Apartments, displacing four families.

Russell Gendre, 62, was arrested on suspicion of arson, criminal threats and assault with a deadly weapon, said San Bernardino County Sheriff John McMahon.

About 5:30 a.m. Monday, emergency crews responded to an apartment complex in the 1900 block of Erin Drive in Needles for reports of a structure fire.

"The first crew arrived on the scene and saw smoke and flames from the structure's interior," said Cpt. Dan Nelson, of the **San Bernardino County Fire** Department Station 32. Fire crews were able to keep the fire from spreading, but an adjacent apartment sustained water and fire damage.

Fire officials requested the sheriff's office arson and bomb unit to investigate.

Gendre was arrested in the 1100 block of Bailey Avenue in Needles around 4:30 p.m. Monday and booked into the Needles Jail.

Gendre was reportedly being held in the San Bernardino County Adelanto Detention Center on \$50,000 bond and was scheduled to appear in Victorville Superior Court on Wednesday.

Anyone with additional information on the fire is encouraged to contact Detective Tim Preston of the Needles Police Department/Colorado River Station, at 760-326-9200.
