Vegetation Fire Comes Close to Homes

Date/Time: June 14, 2012, 8:30 a.m.
Location: Summit Valley Road north of Hwy. 138, Summit Valley
Incident: Vegetation Fire with Structure Protection

Summary: San Bernardino County Fire Dispatch Center received several reports of a vegetation fire on Summit Valley Road north of Hwy. 138 in Summit Valley in the state responsibility area. San Bernardino County Fire arrived first on scene with 3 fire engines and immediately started suppression actions and protecting structures and nearby power lines.

Shortly after, additional County Fire crews arrived on scene to provide structure protection for 10 homes and numerous out buildings. No evacuations took place.

As of 10:45 a.m., the fire was approximately 25 acres and firefighters had the fire under control. The fire is burning in medium fuel of grass and chaparral, with light winds.
