Woman Rescued From Aqueduct

Date/Time: June 11, 2013 / 1500 Hrs.
Location: Oasis / California Aqueduct
Incident: Possible Near Drowning

A 62 year old Pinon Hills woman was pulled from the California Aqueduct Tuesday afternoon by a passing motorist. The woman, who went for a walk, was last seen an hour and half prior by her husband had apparently fallen into the Aqueduct during her walk.

San Bernardino County firefighters arrived and found the woman with some wheezing in her lungs and low body core temperature but in stable condition. A Mercy Air helicopter was requested and took the woman to Arrowhead Regional Medical Center where her current condition is unknown.
