MetroLink joins with San Bernardino County Fire Department to help bring toys to The City of Fontana

Date/Time: November 17th, 2012 at 7:15 P.M.
Location: City of Fontana, CA at the MetroLink Sub-Station on Sierra Ave
Incident: MetroLink Brings Christmas Cheer!

Summary: MetroLinks Christmas Toy Train returned to the City of Fontana on Saturday night. San Bernardino County Fire Department assisted with the festivities and set up several displays for family fun and involvement with their local community. Children were able to make special letters and pictures that were hand delivered to Santa to get his toy list ready for this year. MetroLink provided the citizens with a fun holiday show that included hip hop characters and professional dancers to get the kids involved.

San Bernardino County Fire Department with Spark of Love and MetroLink would like to thank all those involved. All donations are greatly appreciated and help support your local communities. If you would like to help support our cause, please feel free to drop-off an unwrapped toy at your local fire station. We also except all cash and check donations as well.

The San Bernardino County Fire Department would like to remind everyone to keep your christmas tree watered and away from electrical outlets. Surge protectors are also highly recommended to keep fire danger at a minimum. For more information on Spark of Love 2012 visit our website at sbcfire.org and click on the Spark of Love icon.
