Chairman Postmus invites public to State of the County Address

San Bernardino County Board of Supervisors Chairman Bill Postmus invites the public to attend the county's 2005 State of the County Address Luncheon on March 10, 2005, at the Ontario Convention Center.

During the event Chairman Postmus will review the county's key accomplishments and outline ongoing and future initiatives related to public safety, economic development, and other subjects of vital public interest.

"It's important for the county to set aside time to formally communicate with the public about what the county has accomplished and what it hopes to accomplish," Chairman Postmus said. "Our county faces many important challenges, and my address will outline how county government plans to address those challenges."

The event will be held from 11:30 a.m. to 1 p.m. on March 10 at the Ontario Convention Center, 2000 Convention Center Way, Ontario. Space is limited.
