## Apple Valley Library reopens at Victor Valley Museum

The San Bernardino County Library's Apple Valley branch, currently undergoing construction, will temporarily reopen at the Victor Valley Museum in time for customers to join the Summer Reading Program.

Beginning Monday, June 29, the Apple Valley branch will offer access to library materials, programs, services, and the ability to request materials from other branches. The temporary location is at the Victor Valley Museum, 11873 Apple Valley Road in Apple Valley. Computer access is the only service that won't be available.

Apple Valley customers are invited to "Join the Galactic Forces" during the Summer Reading Program. Throughout the summer, the Library will give away awesome incentives to participants who sign up and read.

Reading for rewards is just the beginning. The Apple Valley Library will host various programs of galactic proportions, including performers, space-themed crafts, movies and more. Tuesdays will feature 3 Performer shows which will begin at 2, 3, and 4 p.m. Space will be limited, so please come early to secure a spot. Additional programs include family movie nights on Mondays at 4:30 p.m., kids craft station on Thursdays at 4 p.m., and teen programs on Wednesdays and Thursdays at 2 p.m. For a full listing of Summer programs, please refer to the Library website, <http://www.sbclib.org>. The Summer Reading Program is open to all ages, so come on in and sign the whole family up. This program is absolutely free!

For more information, call the Victor Valley Museum at (760) 240-2111.

The San Bernardino County Library System is a dynamic network of 32 branch libraries that serves a diverse population over a vast geographic area. The County library system strives to provide equal access to information, technology, programs, and services for all the people who call San Bernardino County home.

The library plays a key role in the achievement of the Countywide Vision, [www.sbcounty.gov/vision](http://www.sbcounty.gov/vision), by contributing to the educational, cultural, and historical development of our County community.
