DCSS hires new Deputy Director

Marci Jensen-Eldred has joined the San Bernardino County Department of Child Support Services as a Deputy Director. Jensen-Eldred, who started with the department in March 2009, will oversee the department's case establishment and intake teams.

Jensen-Eldred was the Director for the Sutter County Department of Child Support Services since May 2006. Sutter County had a key role as a pilot county in the roll out of the statewide child support case management system from 2006 to 2008.

Prior to her appointment as Director, Marci was Chief Child Support Attorney in Sutter County for five years.

Jensen-Eldred earned a Bachelor of Arts degree from California State University, Sacramento and a Juris Doctorate from Lincoln Law School in Sacramento, Calif.

Director Connie Brunn said she was "excited to have Marci with her background, skills and knowledge come to CSS."

"Marci Jensen-Eldred has demonstrated a high level of skill and commitment to California's children. I know she will continue to maintain this level of excellence in San Bernardino County," Brunn said.

The Department of Child Support Services determines paternity, establishes and enforces child support orders, and issues payments to assist families in meeting the financial and medical needs of their children. It provides child support services to more than 159,000 children monthly, collecting more than \$154,357,000 in child support payments annually.
