Traffic requirements for tomorrow's COVID-19 testing in Victorville

Those participating in tomorrow's drive-through COVID-19 drive-thru sample-collection event in Victorville must follow a designated route to the collection site at the San Bernardino County Fairgrounds, and must arrive in a vehicle.

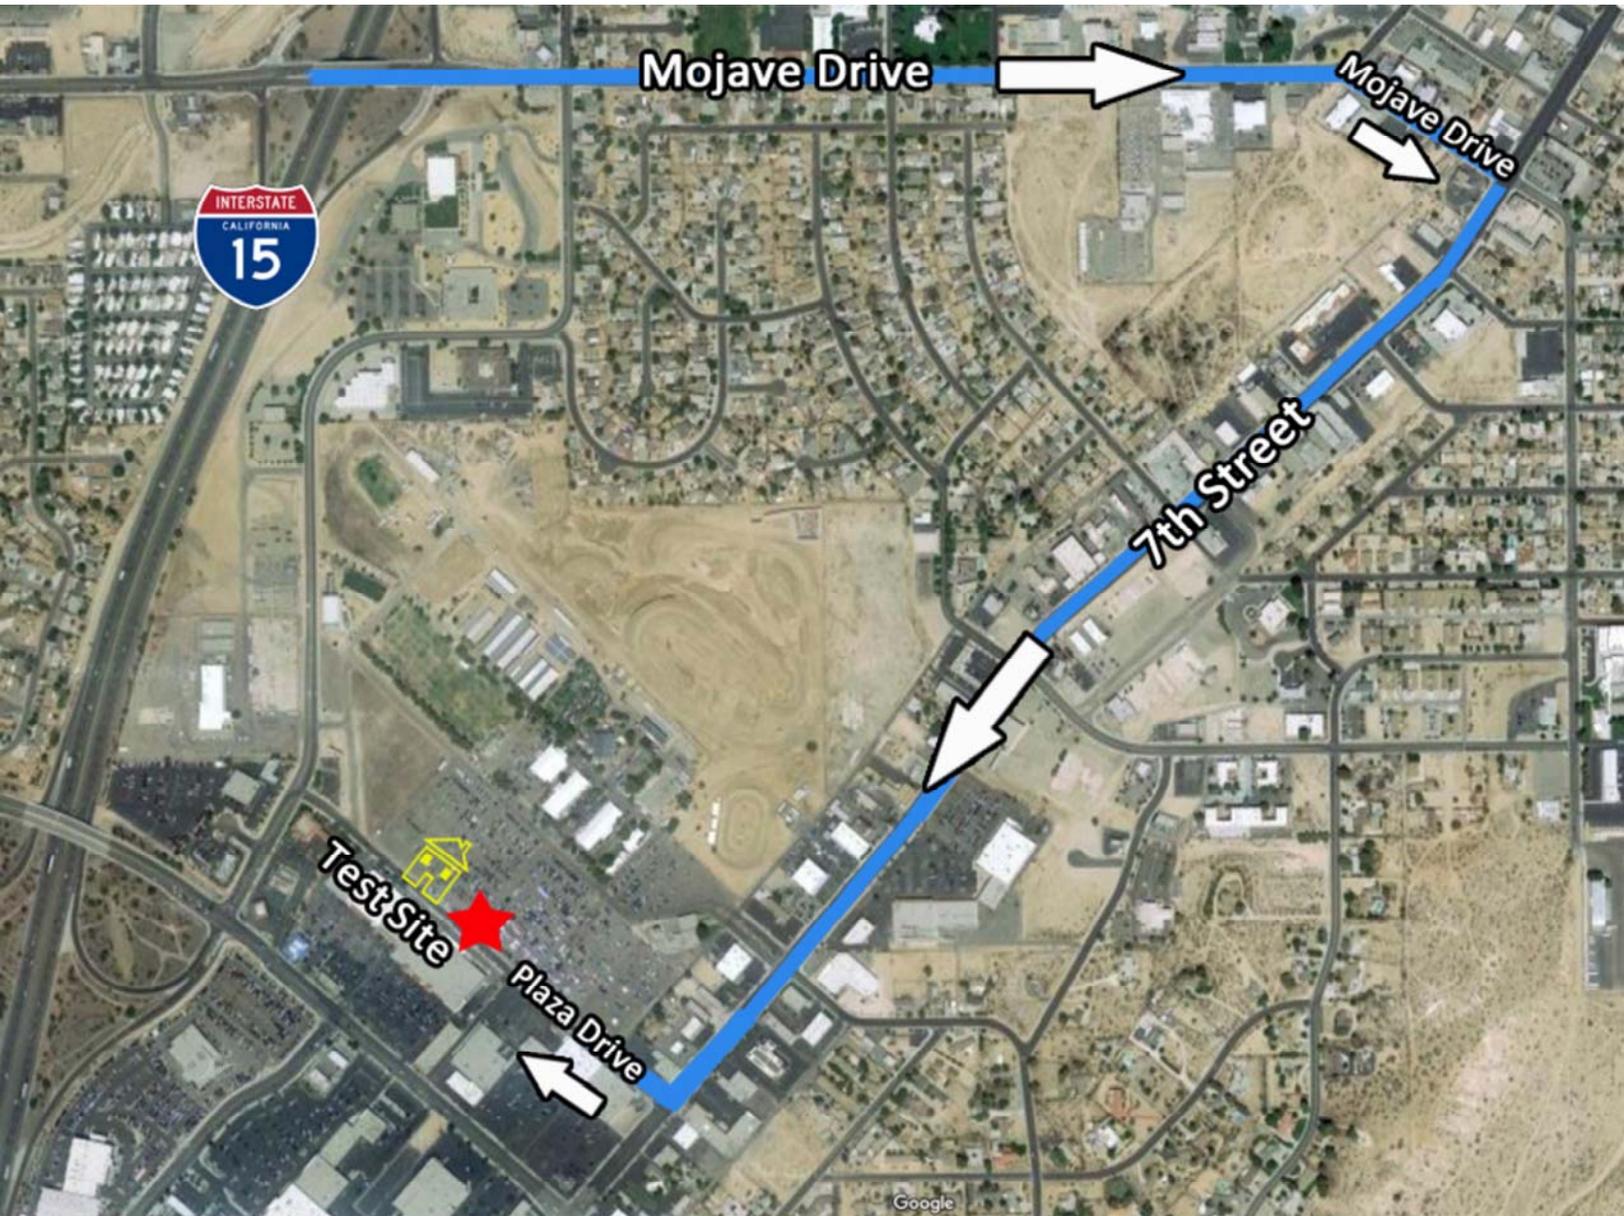

In other words, "walk-in" actually means "drive-through."

Visitor's using Interstate 15 must exit Mojave Drive and head south on 7th Street to Plaza Drive, as shown on the map located at http://www.sbcounty.gov/Uploads/CAO/Feature/Content/COVID-19_Testing_Site_Map.pdf (map attached).

Those who have appointments will be served from 10 a.m. to 1 p.m. No one without an appointment should arrive before 1 p.m. Those without an appointment who would like to be tested may arrive at 1 and will be served while testing supplies last.

This event is free of charge and does not require health insurance. All persons will be screened upon arrival to ensure that all persons meet testing criteria.

For information about the coronavirus crisis, visit the County's coronavirus website at wp.sbcounty.gov/dph/coronavirus. New information and resources are updated daily. The public can also contact the coronavirus public information line from 9 a.m. to 5 p.m., Monday through Friday at (909) 387-3911, or email the County at coronavirus@dph.sbcounty.gov.
