## Board invites applications for WVWD Board appointment

---

The Board of Supervisors invites residents of the West Valley Water District to apply for an appointment to the district's Board of Directors.

The November election created a vacancy on the five-member water board. The remaining water board members were unable to reach a consensus on who to appoint to the vacant seat and asked the Board of Supervisors to make the appointment, which the Board of Supervisors on Tuesday agreed to do at its March 7 meeting.

The West Valley Water District provides drinking water to customers in portions of Rialto, Colton, Fontana, Bloomington and other unincorporated areas of San Bernardino County, and a portion of Jurupa Valley in Riverside County. District boundaries and other information about the district are available at <https://wvwd.org/>.

Water district residents are invited to apply for consideration to be appointed to the open seat by 5 p.m. on Feb. 24. The Board of Supervisors created a special advisory committee consisting of Second District Supervisor Janice Rutherford and Fifth District Supervisor Josie Gonzales to interview the applicants and recommend an appointment to the full Board of Supervisors.

The person appointed by the Board of Supervisors to the water board on March 7 will have the option of running for election to the remainder of the seat's full four-year term in the Nov. 7 election. The term for the vacant water board seat expires on Dec. 6, 2019.

The application and other information about the appointment are available at <http://cms.sbcountry.gov/Portals/45/WestValleyWaterDistrictApplInstructions.pdf?ver=2017-02-14-133958-353>.

Application forms are also available at:
