## Food Handler Card Clarification

There are several food handler card certification options available to the public. However, as a reminder, food handlers employed in food facilities in San Bernardino County are required to obtain their food handler card from San Bernardino County, Environmental Health Services. Please call 1-800-442-2283 for more information about our food handler card program or visit [/dph/dehs/Depts/EnvironmentalHealth/FIRST/first food worker class.aspx](http://dph/dehs/Depts/EnvironmentalHealth/FIRST/first_food_worker_class.aspx)

Food handler cards from other Counties or programs are not an acceptable substitute. Thank you for your efforts to protect public health by safely handling food.
