AB 402 (Dodd D) Local agency services: contracts.

1st House				2nd House							

Summary:

Would allow a local agency formation commission to authorize a city or district to provide new or extended services outside its jurisdictional boundaries to support existing or planned uses involving public or private properties, subject to approval at a publicly noticed hearing where the commission makes specified determinations. The bill would also make technical and conforming changes.

Position: Watch

Subject: CKH General Procedures, LAFCo Administration, Service Reviews/Spheres

CALAFCO Comments: As written, this bill expands LAFCo's existing authority to approve new and extended services beyond agencies' spheres of influence inclusive of public health and safety threats, only if LAFCo can make three findings at noticed public hearings. These findings involve determining the extension: (1) was evaluated in a municipal service review; (2) will not result in adverse impacts on open-space and agricultural lands or growth; and (3) a later change of organization is not expected or desired based on local policies. Further, the bill clarifies LAFCo's sole authority in determining the application of the statute, and deemphasizes the approval of contracts and emphasizes the approval of service extensions.

CALAFCO previously considered (over an extensive period of time) amending GC §56133, and twice (in 2011 and again in 2013) the CALAFCO Board of Directors decided not to pursue those amendments. This is not a CALAFCO sponsored bill. Assembly member Dodd is a former Napa LAFCo Commissioner.

Summary:

Current property tax law requires the county auditor, in each fiscal year, to allocate property tax revenue to local jurisdictions in accordance with specified formulas and procedures, and generally provides that each jurisdiction shall be allocated an amount equal to the total of the amount of revenue allocated to that jurisdiction in the prior fiscal year, subject to certain modifications, and that jurisdiction's portion of the annual tax increment, as defined. This bill would modify these reduction and transfer provisions, for the 2015-16 fiscal year and for each fiscal year thereafter, by providing for a vehicle license fee adjustment amount calculated on the basis of changes in assessed valuation.

CALAFCO Support Letter March 2015

Position: Support

Subject: Financial Viability of Agencies, Tax Allocation

CALAFCO Comments: As introduced, this bill is identical to AB 1521 (Fox) from last year. This bill reinstates the VLF payment (through ERAF) and changes the way that the growth in the VLF adjustment amount (property tax in lieu of VLF) is calculated starting in FY 2015-16 to include the growth of assessed valuation, including in an annexed area, from FY 2004-05 to FY 2015-16. Beginning in FY 2016-17, the VLF adjustment amount would be the jurisdiction's annual change in the assessed valuation

Summary:

Would, in the case of a disincorporation or reorganization that includes a disincorporation, require the plan for services to include specific provisions, including, among others, an enumeration and description of the services currently provided by the city proposed for disincorporation and an outline of current retirement obligations, as specified. This bill contains other related provisions and other existing laws.

Subject: CKH General Procedures, Disincorporation/dissolution

CALAFCO Comments: Sponsored by CALAFCO. As introduced, this bill addressed the long-outdated statutes relating to disincorporation. Although many other areas of CKH have been updated over the past 52 years, the areas pertaining to disincorporations remain in their original format as written in 1963.

This bill does the following: (1) Clarifies the expectation for assignment of responsibility for debt that will continue in existence after disincorporation; (2) Establishes the parameters and requirements for the submission of the Plan for Service for a disincorporation proposal which outlines existing services, the proponent's plan for the future of those services, and whether or not a bankruptcy proceeding has been undertaken; (3) Establishes the responsibilities of LAFCOs in preparing a Comprehensive Fiscal Analysis for disincorporations, the determination of the transfer of property tax revenues previously received by the proposed disincorporating City, and the determination of the transfer of debt to a successor agency or agencies. Further, the bill retains LAFCOs existing authority to impose terms and conditions on a proposed disincorporation as well as the election requirements necessary for approval of disincorporation. The proposed disincorporation statutory changes use the incorporation provisions as a template to propose changes in the disincorporation process.

Summary:

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, requires a local

agency formation commission to notify specified state agencies having oversight or regulatory responsibility over, or a contractual relationship with, a local health care district when a proposal is made for any of specified changes of organization affecting that district. This bill would update obsolete references to a "hospital" district and replace outdated references to the State Department of Health Services with references to the State Department of Public Health and the State Department of Health Care Services.

Subject: Financial Viability of Agencies

CALAFCO Comments: Identical to SB 69 (Roth) from 2014, the bill calls for reinstatement of the VLF through ERAF for cities that incorporated between January 1, 2004 and January 1, 2012. There are no provisions for back payments for lost revenue, but the bill does reinstate future payments beginning in the 2014/15 year for cities that incorporated between 1-1-2004 and 1-1-2012.

Summary:

Would establish commission proceedings to consider the exercise of new or extended fire protection services outside a public agency's current service area by contract or agreement. The bill would require the legislative body of a public agency to adopt a resolution and submit the resolution along with a plan for services, as provided. The bill would require that a proposal by a state agency be initiated by the director of the agency

with the approval of the Governor. This bill contains other related provisions and other existing laws.

Position: Oppose

Subject: CKH General Procedures, Municipal Services

CALAFCO Comments: As amended, this bill will circumvent local District Board and LAFCo authority on service extensions relating to fire protection services by allowing unions the authority to approve/disapprove the service contracts. Further, as written, these changes will require CEQA review. The bill sets a precedent for fire unions to have the final authority to approve fire-related service extensions, thereby opening the door for all other service-related unions to have the same. In addition, the bill requires a comprehensive fiscal analysis for service extensions, which is now only required for incorporations. Who will be responsible for paying for that CFA is not known (at least it is not outlined in the bill language). Finally, the proper government code section relating to service extensions is 56133, which is where any changes to service extension process should be addressed.

This bill would make technical, nonsubstantive changes to the above-described law.

CALAFCO Comments: As amended, this bill gives legislative authority for the creation of the Isla Vista Community Services District (CSD). Summary:

Would require each local agency, in implementing the California Public Records Act, to create a catalog of enterprise systems, as defined, to make the catalog publicly available

upon request in the office of the clerk of the agency's legislative body, and to post the catalog on the local agency's Internet Web site. The bill would require the catalog to disclose a list of the enterprise systems utilized by the agency, and, among other things, the current system vendor and product. Because the bill would require local agencies to perform additional duties, it would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

Position: Watch

Subject: LAFCo Administration, Public Records Act

CALAFCO Comments: As written, this bill requires all local agencies (including LAFCo) to conduct an inventory of all data gathered by the agency that includes (1) what the data is; (2) who collects it; and (3) the frequency with which it is collected. This bill is an unfunded mandate on public agencies.
