Summary:

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, requires the executive officer of a local agency formation commission to prepare a comprehensive fiscal analysis for any proposal that includes a disincorporation, as specified. This bill would additionally require the comprehensive fiscal analysis to include a review and documentation of all current and long-term liabilities of the city proposed for disincorporation and the potential financing mechanism or mechanisms to address any identified shortfalls and obligations, as specified.

CALAFCO Comments: This bill is sponsored by the County Auditor's Association. After working closely with the author's office and the sponsor's representative, the bill has been substantially amended. The amendments in the April 5, 2016 version of the bill eliminate all of CALAFCO's concerns, and as a result we have removed our opposition. The amendments reflected in the April 11, 2016 version reflect the addition of one item inadvertently omitted by the author and a requested change in the ordering sequence by CALAFCO. All amendments are minor and have been agreed to by CALAFCO and the other stakeholders with whom we worked last year on AB 851 (Mayes).

Summary:

Beginning with the 2004-05 fiscal year and for each fiscal year thereafter, current law requires that each city, county, and city and county receive additional property tax revenues in the form of a vehicle license fee adjustment amount, as defined, from a Vehicle License Fee Property Tax Compensation Fund that exists in each county treasury. Current law requires that these additional allocations be funded from ad valorem property tax revenues otherwise required to be allocated to educational entities. This bill would modify these reduction and transfer provisions for a city

incorporating after January 1, 2004, and on or before January 1, 2012, for the 2016-17 fiscal year and for each fiscal year thereafter, by providing for a vehicle license fee adjustment amount calculated on the basis of changes in assessed valuation.

Subject: Financial Viability of Agencies, Tax Allocation

CALAFCO Comments: As introduced, this bill is identical to SB 817 (Roth, 2016) except that it does not incorporate changes to the R&T Code Section 97.70 related to AB 448 (Brown, 2015). The bill calls for reinstatement of the VLF through ERAF for cities that incorporated between January 1, 2004 and January 1, 2012. There are no provisions for back payments for lost revenue, but the bill does reinstate future payments beginning in the 2016/17 year for cities that incorporated between 1-1-2004 and 1-1-2012.

Summary:

Current law authorizes a district to sell water under its control, without preference, to cities, other public corporations and agencies, and persons, within the district for use within the district. Current law authorizes a district to sell or otherwise dispose of water above that required by consumers within the district to any persons, public corporations or agencies, or other consumers. This bill, upon the request of an Indian tribe and the satisfaction of certain conditions, would require a district to provide service of water at substantially the same terms applicable to the customers of the district to an Indian tribe's lands that are not within a district, as prescribed, if the Indian tribe's lands meet certain requirements and the Indian tribe satisfies prescribed conditions.

Position: Watch With Concerns

Subject: Water

CALAFCO Comments: As amended, this bill requires a water agency to provide water service upon request of an Indian tribe and under certain conditions, to the tribe at substantially the same terms as existing customers of the water district even though no annexation of the land to be serviced is required. The proposed process bypasses entirely the LAFCo process and requires the water agency to provide the service without discretion. Although written generically, the bill is intended to be specific to the Sycuan Indian tribe in San Diego.

Summary:

Under current law, with certain exceptions, a public agency is authorized to exercise

new or extended services outside the public agency's jurisdictional boundaries pursuant to a fire protection contract only if the public agency receives written approval from the local agency formation commission in the affected county. Current law defines the term "jurisdictional boundaries" for these purposes. Current law, for these purposes, references a public agency's current service area. This bill would revise these provisions to remove references to a public agency's current service area and instead include references to the public agency's jurisdictional boundaries.

Subject: Water

CALAFCO Comments: As introduced, this complicated bill makes a number of changes to GC Section 66473.7 and Section 10910 of the Water Code. In 66473.7, in the definitions section, the bill adds definitions pertaining to the use of groundwater by a proposed subdivision as the source of water. It adds an adopted groundwater sustainability plan as optional substantial evidence that the water system has sufficient water supply to meet the demands of the subdivision project. The bill adds that a groundwater basin identified by the State Water Resources Control Board (SWRCB) as a probationary basin is not considered a viable water supply.

Recent amendments removed CALAFCO's primary concern of the timing requirements of the water supply assessment, and returns the statute to its original state. Other concerns remain including the ongoing discussion of the appropriate size of a project (is 500 units the appropriate threshold) and how this bill will deal with phased development.

The author continues discussions on these points with stakeholders.

Further it requires the JPA to file with the LAFCo within 30 days of the formation of the JPA or change in the agreement, and should they not file adds punitive action that the JPA shall not issue bonds nor incur indebtedness. Summary:

Current law, except as otherwise provided, prohibits a local agency formation commission from approving an annexation to a city of any territory greater than 10 acres, or as determined by commission policy, where there exists a disadvantaged unincorporated community, as specified, unless an application to annex the disadvantaged unincorporated community to the subject city has been filed with the executive officer. This bill would extend that prohibition to an annexation to a qualified special district.

Attachments:CALAFCO Oppose As Amended Letter April 2016CALAFCO Oppose Letter March 2016**Position:** Oppose**Subject:** Disadvantaged Communities, LAFCo Administration, Municipal Services, Service Reviews/Spheres, Water**CALAFCO Comments:** Virtually gut and amended on April 12, the bill now does a number of different things.

First, it prohibits a commission from approving an annexation to a city or qualified special district of any territory greater than 10 acres, or as determined by commission policy, where there exists a DUC within or adjacent to the SOI of a city or special district that lacks safe drinking water or wastewater infrastructure or services, unless the city or special district has entered into an enforceable agreement to extend those services into the DUC as specified. The bill would define "qualified special district" to mean a special district with more than 500 service connections.

Next, The bill would prohibit a commission from approving a sphere of influence update that removes a DUC from a city's or special district's sphere of influence unless the commission makes a finding that removal of the community will result in improved service delivery to the community. The bill adds 56425(k), prohibiting a commission from approving a SOI update that removes a disadvantaged community from a city's sphere of influence unless a majority of the voters in the disadvantaged community approve of the proposed SOI.

The bill adds several requirements in GC Section 56430 relating to Municipal Service Reviews. First, it changes (b) to mandate the commission to assess various alternatives relating to the efficiency and affordability of infrastructure and delivery of services; and changes (c) to mandate the commission to include a review whether the agency being reviewed is in compliance with the CA Safe Drinking Water Act.

Finally, the bills adds to 56430 the following requirements to LAFCo: (1) on or before 1/1/22 and every 5 years thereafter, LAFCo shall do MSR for the entire county territory (regardless of service provider); (2) Create and electronically file a map that identifies DUCs that lack safe drinking waster or wastewater with OPR (who will then post on their website); Within 2 years of identifying such a DUC, LAFCo shall create a plan based on alternatives analyzed and adopt any actions necessary to implement the plan (regardless of whether the agencies involved are public or private); (3) Creates an exemption for an election or any protest proceedings on the above action except protest proceedings are required for the residents of the DUC; (4) LAFCo will not be required to adopt a plan if there is no feasible was of connecting the DUC with an existing system; (5) LAFCo cannot change a SOI or extend services if these requirements are not met; (6) LAFCo cannot change a SOI of an agency that was identified in a plan of action and they have not taken action within 3 years, unless there is an application to to extend services of annex that territory; or an extension of services pursuant to 56133.

Summary:

Would authorize a city council, located in an existing or newly formed district as specified, to adopt a resolution requesting that appointments of persons to the board of trustees instead be made by a city selection committee, established pursuant to specified provisions of law, and conditioned upon a majority of authorized city councils adopting their respective resolutions. This bill would authorize the city selection committee to decrease the total number of appointments to be made by the committee if a majority of city councils within the district make this request in their respective resolutions.

Position: Watch

CALAFCO Comments: As amended, this bill amends the Health and Safety Code by creating an alternative option to the appointment process to the board of trustees of a district. The additional process calls for the City Selection Committee to make appointments rather than the cities themselves in a case where a majority of the city councils located within the district and are authorized to appoint a person to the board of trustees adopt resolutions approving of this alternate appointment process. No change is being made to how the County Board of Supervisors makes their appoint to the district board.

This is a locally supported bill, stemming from an issue in San Mateo with their Mosquito Abatement District which is in the Assembly member's district.

CALAFCO Comments: As amended, this bill requires Riverside LAFCo to approve the expansion of the district, providing a determination is made that the expansion is financially feasible. The bill requires the County of Riverside to file the application with the LAFCo by 1/1/17, and as the applicant, to pay all necessary fees. The bill gives Riverside LAFCo 150 days to conduct all proceedings and direct the election necessary to expand the district. While the amendments removed the unrealistic timelines prescribed in the original version, and removed the requirement for the LAFCo (and other agencies) to find a viable funding source for the expansion, the bill still divests Riverside LAFCo of its authority and discretion.

The bill would subject a dissolution under these provisions to specified provisions of the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 that require dissolution by voter approval only if a majority protest exists, as specified. By requiring a higher level of service from the Alameda County local agency formation commission to analyze the criteria described above, the bill would impose a state-mandated local program.

Summary:

Would authorize the State Water Resources Control Board to order consolidation with a receiving water system where a public water system, or a state small water system within a disadvantaged community, consistently fails to provide an adequate supply of safe drinking water. This bill would authorize the state board to order the extension of service to an area that does not have access to an adequate supply of safe drinking water so long as the extension of service is an interim extension of service in preparation for consolidation.

Position: Oppose**Subject:** Disadvantaged Communities, LAFCo Administration, Special District Consolidations, Water

CALAFCO Comments: UPDATED COMMENTS: CALAFCO continues to monitor this bill to ensure it does re-present itself in another form impacting LAFCo.

OLDER COMMENTS: This bill is the same as SB 88, which was passed in 2015. As

amended, AB 115 gives the State Water Resources Control Board (SWRCB) direct authority to mandate either an extension of service or consolidation of water systems, including public and private systems, and individual wells. The bill focuses on disadvantage communities. Prior to ordering the consolidation, the SWRCB must make certain determinations and take certain actions, including conducting a public hearing in the affected territory. They are also required to "consult with and fully consider input from the relevant LAFCo, the PUC, and either the city or county (whichever has land use authority). Entities are allowed 6 months to find workable solutions before the SWRCB mandates the action. Prior to making the order, the SWRCB must make certain determinations. Upon making the order, the SWRCB must make funding available to the receiving water system for capacity building (no operations and maintenance funding is provided, adequately compensate the subsumed system, pay fees to the LAFCo for whatever work they will do (which is as of now undefined) to facilitate the action. The bill also contains certain CEQA exemptions and liability relief for the subsuming water entity, as well as various penalties. Finally, the bill makes legislative findings and declarations as to the reason for the SWRCB to have these powers, which has been taken directly from the legislative findings and declarations of CKH and the reason LAFCOs have the powers they do.

CALAFCO has attempted to work with the administration for some time in defining the best possible process for these actions. However, for the most part, amendments proposed have been dismissed. CALAFCO has a number of concerns regarding the proposed process, not the least of which is the language in section 116682 (g) (the way it is worded now, it exempts the entire consolidation process and there is a legal argument that this would divest LAFCO of any authority to complete the consolidation since that authority is solely contained in CKH). Further, we requested indemnification for LAFCo as they implement section 11682(e)(4) which was also dismissed.

Would require an online posting of an agenda for the legislative body of a local agency, if the local agency has an Internet Web site, to be posted on the local agency's primary Internet Web site homepage accessible through a prominent, direct link, as specified. The bill would exempt a city, county, city and county, and special district from this requirement if it has an integrated agenda management platform that meets specified requirements, including that the current agenda of the legislative body of the local

agency is the first agenda available at the top of the integrated agenda management platform.

Position: Watch

Subject: LAFCo Administration

CALAFCO Comments: As amended, this bill amends GC Section 54954.2 pertaining to the online posting of a local agency's meeting agenda. The bill requires that online posting to have a prominent and direct link to the current agenda itself from the local agency's homepage. This means that LAFCOs will have to post a prominent link on their website's homepage, directly taking the user to the meeting agenda. Other requirements added in the April 11, 2016 version of the bill include: (1) The direct link to the agenda required shall not be in a contextual menu; (2) The agenda shall be posted in an open format that is retrievable, downloadable, indexable, and electronically searchable by commonly used Internet search applications; is platform independent and machine readable; is available to the public free of charge and without any restriction that would impede the reuse or redistribution of the public record.

Summary:

Would authorize a governing body of a special district, as defined, to require, by resolution, that the members of its governing body be elected using district-based elections without being required to submit the resolution to the voters for approval. This bill would require the resolution to include a declaration that the change in the method of election is being made in furtherance of the purposes of the California Voting Rights Act of 2001.

Position: Watch

CALAFCO Comments: As amended, this bill allows special districts, if approved by resolution of the governing board, to conduct elections of their governing board using district-based elections, without being required to submit the resolution to the voters for approval.

Summary:

Under that Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, upon disincorporation of a city, on and after the effective date of that disincorporation, the territory of the disincorporated city, all inhabitants within the territory, and all persons formerly entitled to vote by reason of residing within that territory, are no longer subject to the jurisdiction of the disincorporated city. This bill would make a technical, nonsubstantive change to this provision.

Summary:

Would require a nonprovider health care district, as defined, to spend at least 80% of its annual budget on community grants awarded to organizations that provide direct health services and not more than 20% of its annual budget on administrative expenses, as defined. By requiring a higher level of service from nonprovider health care districts, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

Position: Watch

CALAFCO Comments: This bill appears to be a companion bill to AB 2471 (Quirk) addressing the Eden Township Healthcare District, although it is written in generic form. As amended, the bill requires a non-provider health care district, as defined, to spend at least 80% of its annual budget on community grants awarded to organizations that provide direct health services and not more than 20% of its annual budget on administrative expenses (as defined).

Summary:

Current statutory law provides notice, protest, and hearing procedures for the levying of new or increased fees or charges by local government agencies pursuant to Article XIII D of the California Constitution. Under current statutory law, one written protest per parcel, filed by an owner or tenant of the parcel, is counted in calculating a majority protest to a proposed new or increased fee or charge. This bill would require the agency to maintain the written protests for a minimum of 2 years following the date of the hearing to consider the written protests. By increasing the duties of local officials, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

Summary:

Would, commencing January 1, 2017, prohibit an application for a permit for a new public water system from being deemed complete unless the applicant has submitted a preliminary technical report to the State Water Resources Control Board, as specified, and would allow the state board to impose technical, financial, or managerial requirements on the permit.

Position: Watch

Subject: Water

CALAFCO Comments: As introduced, this bill would prohibit an application for a permit for a new public water system from being deemed complete unless the applicant has submitted a preliminary technical report to the state board, as specified, and would allow the state board to impose technical, financial, or managerial requirements on the permit. The bill would prohibit a public water system not in existence on January 1, 1998, from being granted a permit unless the public water system demonstrates that the water supplier also possesses adequate water rights to ensure the delivery safe drinking water, and would specify that the prohibition applies to any change in ownership of the public water system, including the consolidation of a public water system. The bill would allow the state board to deny the permit if the state board determines that the service area of the public water system can be served by one or more currently permitted public water systems. Finally, the bill would prohibit a local primacy agency from issuing a permit without the concurrence of the state board.

CALAFCO Comments: Sponsored by CSDA. As amended, the bill requires the Grand Jury to conduct an exit interview with report subjects to discuss and share findings. They may also provide a copy of the subject's report. The subject will have no less than 5 working days to provide written comments back to the Grand Jury for their consideration before the report is public. One the Grand Jury report is approved by a judge, the Grand Jury is required to provide a copy of the section pertaining to the subject to that entity no later than 6 working days prior to the reports public release. The subject entity can submit a preliminary response to the report to the Grand Jury, who is then required to make those prelim comments public at the time the report is made public.

This will allow LAFCoS, when they are the subject of a Grand Jury report, to meet with the Grand Jury and hear their findings, and for the LAFCo to respond to those findings and offer additional information or corrections. Further, it allows the LAFCo to provide preliminary comments that are required to be posted with the report when it is made public.
