2. Premises.

Landlord hereby leases to Tenant for the term, at the rental, and upon all of the conditions set forth herein, the Premises as defined in Section 1.02. The Premises, the Building(s), the Common Areas, and the land upon which the same are located, are collectively referred to as the "Depot" (as per the attached Site Plan). It is understood and agreed that the square footage figures set forth in the Basic Lease Provisions are approximations which Landlord and Tenant agree are reasonable and shall not be subject to revision except in connection with an actual change in the size of the Premises.

Tenant hereby accepts the Premises and the Depot in their condition existing as of the Lease Commencement Date or the date that Tenant takes possession of the Premises, whichever is earlier, subject to all applicable zoning, municipal, county and state laws, ordinances and regulations governing and regulating the use of the Premises, and any easements, covenants or restrictions of record, and accepts this Lease subject thereto and to all matters disclosed thereby and by any exhibits attached hereto. Tenant acknowledges that it has satisfied by its own independent investigation that the Premises are suitable for its intended use, and that neither Landlord nor Landlord's agent or agents has made any representation or warranty as to the present or future suitability of the Premises, Common Areas, or Depot for the conduct of Tenant's business. LANDLORD HEREBY DISCLOSES THAT PURSUANT TO CALIFORNIA CIVIL CODE SECTION 1938, THE PREMISES, COMMON AREAS, AND THE BUSINESS PARK HAS NOT UNDERGONE INSPECTION BY "CERTIFIED ACCESS SPECIALIST" (A CASp), AND THUS HAS NOT BEEN VERIFIED TO MEET ALL APPLICABLE CONSTRUCTION-RELATED ACCESSIBILITY STANDARDS.

3. Common Areas.

"Common Areas" are defined as all areas outside the confines of the Premises, including but not limited to parking areas, loading and unloading zones, trash enclosures, roadways, sidewalks, walkways, parkways, ramps, driveways, landscaped areas, and that are within the Depot that are provided and designated for the general non-exclusive use of Landlord, Tenant, and all other Tenants of the Depot. Tenant, Tenant's employees, visitors, and invitees hereby agree to abide by and conform to all rules and regulations, which Landlord shall have the right in its sole reasonable discretion to modify from time to time. Landlord shall have the exclusive control and management of the Common Areas; however, Landlord shall not be responsible for the non-compliance of said rules and regulations by other tenants, employees, and invitees to the Depot. Landlord shall have the right in its sole discretion to (1) make changes to the Building exterior and/or Common Areas; (2) close temporarily any of the Common Areas for maintenance purposes so long as reasonable access remains available; and (3) to add additional improvements to the Common Areas. Under no circumstances shall the right herein granted to use the Common Areas be deemed to include the right to store any property, temporarily or permanently, in the Common Areas. Any such storage shall be permitted only by the prior written consent of Landlord or Landlord's designated agent, which consent may be revoked at any time. In the event that any unauthorized storage shall occur then Landlord shall have the right, without notice, in addition to such other rights and remedies it may have, to remove the property and charge the cost to Tenant, which cost shall be immediately payable upon demand by Landlord.

4. Parking.

Tenant shall be entitled to use the vehicle parking spaces as provided for in Section 1.10 on those portions of the Common Areas designated by Landlord for parking. Tenant shall not use more spaces than said maximum number, and spaces shall be used only for vehicles no larger than full-sized passenger vehicles, pick-up trucks, or sport utility vehicles. Any vehicle loading or unloading shall only be permitted in areas and at times designated by Landlord for such activities. Landlord shall have the right, without notice, to tow any of Tenant's vehicles (or Tenant's employees, invitees, contractors, or visitors) that are in violation of any parking rules and regulations, the cost of which shall be the sole responsibility of Tenant.

5. Term.

"Possession" of the Premises shall be deemed tendered to Tenant when (1) improvements, if any, are substantially completed, and (2) Tenant has been given reasonable access to the Premises, including delivery by Landlord of keys to the Premises. If for any reason Landlord cannot deliver possession of the Premises on the Commencement Date as provided for in Section 1.04, the Commencement Date and ending dates shall be correspondingly extended in relation to the Term of this Lease, and Landlord shall not be subject to any liability, nor shall such delay in commencement affect the validity of this Lease or the obligations of Tenant hereunder (except that Tenant shall not be obligated to pay rent until possession of the Premises has been delivered as provided for herein). However, there shall be no abatement of rent or adjustment of the Commencement Date if such delays are caused by actions of Tenant, Tenant's agents or contractors.

6. Rent.

Rent and Base Rent. Any and all amounts from time to time payable to Landlord by Tenant hereunder shall be referred to herein as Rent, including, but not limited to, Base Rent, and shall be paid in full when due without right of offset, setoff or deduction. Tenant shall pay to Landlord the Base Rent for the Premises as provided of in Section 1.05. Base Rent for any period less than one month shall be prorated based upon the actual number of days in the calendar month involved. Rent shall be payable in lawful money of the United States to Landlord at the address stated herein or to any such other persons or at any such other places as Landlord may designate in writing.

Common Area Maintenance Expenses ("CAM"). Tenant shall pay to Landlord during the term hereof, in addition to the Base Rent, Tenant's Share as provided for in Section 1.09 and hereinafter defined, of all Common Area Maintenance Expenses, as herein defined, during each calendar year, also referred to as "CAM Charges", in accordance with the following provisions:

(a) "Common Area Maintenance Expenses" are defined, for purposes of this Lease, as all costs incurred by Landlord, relating to the ownership and operation of the Depot, including, but not limited to, the following:

(i) The operation, repair and maintenance, in neat, clean, good order and condition, of the following:

(aa) The Common Areas, including parking areas, loading and unloading areas, trash areas, public restrooms, roadways, sidewalks, walkways, parkways, driveways, landscaped areas, striping, bumpers, irrigation systems, Common Area lighting facilities, fences and gates, elevators, escalators, and roof;

(bb) Exterior signs and any tenant directories.

(cc) Fire detection (including monitoring costs) and sprinkler systems.

(ii) The cost of water, gas, electricity, and telephone to service the Common Areas.

(iii) Trash disposal, property management, security services, association fees, and the costs of any environmental inspections.

(iv) Reserves set aside for maintenance and repair of Common Areas.

(v) Real Property Taxes (as defined in Section 14) for the Building and the Common Areas.

(vi) The cost of the premiums for the insurance policies maintained by Landlord under Section

13.

(vii) Any deductible portion of an insured loss concerning the Building or the Common Areas.

(viii) Any other services to be provided by Landlord that are stated elsewhere in this Lease to be a Common Area Maintenance Expense.

(ix) Any management fees incurred by Landlord in connection with the operation of the Depot or, at Landlord's option, in lieu of any such management fees, 15% of CAM Charges as computed without regard to this clause (ix).

(b) Any Common Area Maintenance Expenses and Real Property Taxes that are specifically attributable to the Building or to any other building in the Depot or to the operation, repair, and maintenance thereof, shall be allocated entirely to the building or to such other building. However, any Common Area Operating Expenses and Real Property Taxes that are not specifically attributable to the Building or to any other building or to the operation, repair, and maintenance thereof, shall be equitably allocated by Landlord to all buildings in the Depot.

(c) The inclusion of the improvements, facilities, and services set forth in this Section shall not be deemed to impose an obligation upon Landlord to either have said improvements or facilities or to provide those services unless the Depot already has the same or Landlord already provides the services.

(d) Tenant's Share of Common Area Operating Expenses (CAM Charges) shall be payable by Tenant within ten (10) days after a reasonably detailed statement of actual expenses is presented to Tenant by Landlord's agent. At Landlord's option, however, an amount may be estimated by Landlord from time to time of Tenant's Share of annual CAM Charges and the same shall be payable monthly or quarterly, as Landlord shall designate, during each 12-month period of the Lease term, on the same day as the Base Rent is due hereunder. Landlord shall deliver to Tenant within sixty (60) days after the expiration of each calendar year a reasonably detailed statement showing Tenant's Share of the actual CAM Charges incurred during the preceding year (the "Reconciliation"). If Tenant's payments during said preceding year exceed Tenant's Share as indicated on said Reconciliation, Landlord shall be credited the amount of such overpayment against Tenant's Share of CAM Charges next becoming due. If Tenant's payments during said preceding year were less than Tenant's Share as indicated on said Reconciliation, Tenant shall pay to Landlord the amount of the deficiency within ten (10) days after delivery by Landlord to Tenant of said Reconciliation.

7. Rent Increase.

On each anniversary date of this Lease, the Base Rent shall be increased by CPI Adjustment (see subsection "A" below) or fixed rental adjustment (see subsection "B" below).

A. CPI Rental Adjustment ("CPI"): At the times set forth in paragraph 1.06 of the Basic Lease Provisions, the monthly Base Rent shall be adjusted by the increase, if any, in the Consumer Price Index of the Bureau of Labor Statistics of the Department of Labor for All Urban Consumers, (1982-84=100), "All Items", for the City nearest the location of the Building, herein referred to as "CPI.", since the date of this Lease. The monthly Base Rent shall be calculated as follows: the Base Rent payable for the first month of the term of this Lease shall be multiplied by a fraction the numerator of which shall be the CPI of the calendar month during which the adjustment is to take effect, and the denominator of which shall be the CPI for the calendar month in which the original Lease term commences. The sum so calculated shall constitute the new monthly Base Rent hereunder, but, in no event, shall such new monthly Base Rent be more than one hundred three percent (103%) of the Base Rent payable for the month immediately preceding the date for the rent adjustment. In the event the compilation and/or publication of the CPI shall be transferred to any other governmental department or bureau or agency or shall be discontinued, then the index most nearly the same as the CPI shall be used to make such calculations. Tenant shall continue to pay the rent at the rate previously in effect until the increase, if any, is determined. Within ten (10) days following the date on which the increase is determined, Tenant shall make such payment to Landlord as will bring the increased rental current. Thereafter the rental shall be paid at the increased rate.

8. Security Deposit – Intentionally Omitted

9. Use.

The Premises shall be used and occupied only for the purpose as provided for in Section 1.11 and for no other purpose. Tenant shall conduct its business in a lawful manner (including obtaining and maintaining any required governmental permits and licenses) and shall not use or permit use of the Premises or the Common Areas in any manner that will tend to create waste or a nuisance or shall tend to disturb other occupants of the Depot.

10. Maintenance and Repairs.

Landlord's Obligations: Landlord shall keep the Office Building Project, including the Premises, interior and exterior walls, roof, and common areas, replacement of light bulbs, tubes, and ballasts, and the equipment whether used exclusively for the Premises or in common with other premises, in good condition and repair; provided, however, Landlord shall not be obligated to paint, repair, or replace wall coverings, or to repair or replace any improvements that are not ordinarily a part of the Building or are

above the Building standards. There shall be no abatement of rent or liability of Tenant on account of any injury or interference with Tenant's business with respect to any improvements, alterations, or repairs made by Landlord to the Office Building Project or any part thereof. Tenant expressly waives the benefits of any statute now or hereafter in effect which would otherwise afford Tenant the right to make repairs at Landlord's expense or to terminate this Lease because of Landlord's failure to keep the Premises in good order, condition, and repair.

Tenant's Obligations: Tenant shall be responsible for payment to Landlord as additional rent of the cost for all repairs to the Premises to the extent such cost is attributable to causes beyond normal wear and tear, including the cost of any maintenance and repair of any equipment (wherever located) that serves only Tenant or the Premises. Tenant shall be responsible for the cost of painting, repairing or replacing wall coverings, and to repair or replace any Premises improvements that are not ordinarily a part of the Building or that are above the Building standards.

Hazardous Substances. The term "Hazardous Substance" as used in this Lease shall mean any product, substance, chemical, material, or waste whose presence, nature, quantity, and/or intensity of existence, use, manufacture, disposal, transportation, spill, release, or effect, either by itself or in combination with other materials expected to be on the Premises, is either (i) potentially injurious to the public health, safety, or welfare, the environment, or the Premises; (ii) regulated or monitored by any governmental authority; or (iii) a basis for potential liability of Landlord to any governmental agency or third party under any applicable statute or common law theory. Tenant shall not engage in any activity in or about the Premises which constitutes a use of Hazardous Substances without the express written consent of Landlord and compliance in a timely matter (at Tenant's sole cost and expense) with all governmental requirements (including but not limited to compliance with all laws, rules, regulations, ordinances, directives, covenants, easements, and restrictions of record, permits, and the requirements of any applicable fire insurance underwriter or rating bureau). Landlord may (but without any obligation to do so) condition its consent, if granted, to Tenant's use of any Hazardous Substance upon Tenant's giving Landlord such additional assurances as Landlord, in its reasonable discretion, deems necessary to protect itself, the public, the Premises, and the environment against damage, contamination, or injury and/or liability therefor, including but not limited to the installation (and, at Landlord's option, removal on or before Lease expiration or earlier termination) of reasonably necessary protective modifications to the Premises and/or the deposit of an additional Security Deposit. Tenant shall not cause or permit any Hazardous Substance to be spilled or released in, on, under, or about the Premises (including, without limitation, through the plumbing or sanitary sewer system).

Tenant shall indemnify, protect, defend, and hold Landlord, its agents, employees, lenders, and ground Landlord, if any, and the Premises, harmless from and against any and all damages, liabilities, judgments, costs, claims, liens, expenses, penalties, loss of permits and attorneys' and consultants' fees arising out of and involving and Hazardous Substance brought onto the Premises by or for Tenant or by anyone under Tenant's control. Tenant's obligations under this subsection shall include, but not be limited to, the effects of any contamination or injury to person, property, or the environment created or suffered by Tenant, and the cost of investigation (including consultants' and attorneys' fees and testing), removal, remediation, restoration, and/or abatement thereof, or of any contamination therein involved, and shall survive the expiration or earlier termination of this Lease. No termination, cancellation, or release agreement entered into by Landlord and Tenant shall release Tenant from its obligations under this Lease with respect to Hazardous Substances, unless specifically so agreed by Landlord in writing at the time of such agreement.

11. Utilities & Services.

Landlord shall be responsible for the payment of the following utilities and services that serve the Premises, subject to reimbursement of same as provided for herein (check those that apply):

- Electricity
- Gas
- Water/Sewer
- Telephone & Data Service
- Trash
- Security Alarm Monitoring
- Janitorial Service & Supplies

Tenant shall be responsible for the direct payment or reimbursement to Landlord of the following utilities and services that serve the Premises (check those that apply):

- Electricity
- Gas
- Water/Sewer
- Telephone & Data Service
- Trash
- Security Alarm Monitoring
- Janitorial Service & Supplies

In the event any of Tenant's afore-mentioned utilities are not separately metered to the Premises, Tenant shall pay at Landlord's option, either Tenant's Share or a reasonable proportion to be determined by Landlord of all charges jointly metered with other Premises in the Building.

Said services and utilities shall be provided during generally accepted business days and hours or such other days or hours as may hereafter be set forth. Utilities and services required at other times shall be subject to advance request and reimbursement by Tenant to Landlord of the cost thereof. Tenant shall not make connection to the utilities except by or through existing outlets and shall not install or use machinery or equipment in or about the Premises that uses excess water, lighting, or power, or suffer or permit any act that causes extra burden upon the utilities or services. Landlord shall require Tenant reimburse Landlord for any excess expenses or costs that may arise out of a breach of this subparagraph by Tenant at actual cost or at a predetermined rate of **\$50.00** per hour of usage. Landlord may, in its sole

discretion, install at Tenant's expense supplemental equipment and/or separate metering applicable to Tenant's excess usage or loading.

There shall be no abatement of rent and Landlord shall not be liable in any respect whatsoever for the inadequacy, stoppage, interruption, or discontinuance of any utility or service due to riot, strike, labor dispute, breakdown, accident, repair, or other cause beyond Landlord's reasonable control or in cooperation with governmental request or directions.

Promptly upon request from Landlord, Tenant shall provide monthly electricity and other utility usage data for the Premises to Landlord for the period of time requested by Landlord in electronic or paper format, or, at Landlord's sole option, provide any written authorization or other documentation required for Landlord to request information regarding Tenant's electricity and other utility usage data with respect to the Premises directly from the appropriate utility company.

12. Alterations and Additions.

Tenant shall not without Landlord's prior written consent make any alterations, improvements, additions, or repairs (hereinafter collectively referred to as "Alterations") in, on or about the Premises or the Depot. Should Landlord permit Tenant to make its own Alterations, Tenant shall use only contractors that are properly and adequately licensed and insured, and Landlord may require Tenant to provide Landlord, at Tenant's sole cost and expense, a lien and completion bond in an amount equal to one and one-half times the estimated cost of such improvements, to insure Landlord against any liability for mechanic's and materialmen's liens and to ensure completion of the work. Any Alterations in or about the Premises or the Depot that Tenant shall desire to make shall be presented to Landlord in written form, with proposed detailed plans. If Landlord shall give its consent to making such Alteration, the consent shall be deemed conditioned upon Tenant acquiring a permit to do so from the applicable governmental agencies, furnishing of a copy thereof to Landlord prior to the commencement of the work, and compliance by Tenant of all conditions of said permit in a prompt and expeditious manner.

Tenant shall pay, when due, all claims for labor or materials furnished or alleged to have been furnished to or for Tenant at or for use in the Premises, which claims are or may be secured by any mechanic's or materialmen's lien against the Premises, the Building, or the Depot, or any interest therein. Tenant shall give Landlord not less than ten (10) days' notice prior to the commencement of any work in the Premises by Tenant, and Landlord shall have the right to post notices of non-responsibility in or on the Premises or the Building as provided by law.

All Alterations which may be made on the Premises by Tenant shall be made and done in a good and workmanlike manner and of good and sufficient quality and materials and shall be the property of Landlord and shall remain upon and be surrendered with the Premises at the expiration of the Lease term, unless Landlord requires their removal pursuant to Section 18.

Tenant further acknowledges that the Depot is an historical landmark and thus cannot be altered or modified in any way (including hanging anything on the walls or puncturing wall surfaces with any nail, screw, etc.) without the express written consent of Landlord.

13. Insurance and Indemnity.

Liability and Property Insurance - Tenant: Tenant shall provide a certificate of self insurance to Landlord of not less than \$1,000,000 per occurrence of bodily injury and property damage, or Tenant shall, at Tenant's expense, obtain and keep in force during the term of this Lease a policy of Comprehensive General Liability insurance in an amount of not less than \$1,000,000 per occurrence of bodily injury and property damage combined and damage to premises rented by Tenant or in a greater amount as reasonably determined by Landlord and shall insure Tenant with Landlord as additional insured against liability arising out of the use, occupancy, or maintenance of the Premises. The policy shall be endorsed to provide: "This insurance will be primary and noncontributory with any other insurance of the additional insureds." Compliance with the above requirement shall not, however, limit the liability of Tenant hereunder. Tenant shall also maintain insurance coverage on all of Tenant's personal property, trade fixtures, and alterations and improvements in, on, or about the Premises similar in coverage to that carried by Landlord (such insurance shall be full replacement cost coverage with a deductible not to exceed \$2,500 per occurrence, and the proceeds from any such insurance shall be used exclusively for the replacement of personal property and the restoration of trade fixtures, alterations, and improvements). To the fullest extent permitted by law, Tenant hereby waives all rights of recovery under subrogation against the Additional Insured, and any other consultant, subconsultant or sub-subconsultant performing work or rendering services on behalf of SANBAG, in connection to the Depot. Tenant shall deliver to Landlord certificates evidencing the existence and amounts of such insurance within seven (7) days after the Commencement Date of this Lease, and shall, at least thirty (30) days prior to the expiration of such policies, furnish Landlord with renewals thereof.

The cost of the premiums for the insurance policies maintained by Landlord hereinafter shall be a Common Area Operating Expense.

Liability Insurance - Landlord: Landlord shall obtain and keep in force during the term of this Lease a policy of Combined Single Limit Bodily Injury and Broad Form Property Damage Insurance, plus coverage against such other risks Landlord deems advisable from time to time, insuring Landlord, but not Tenant, against liability arising out of the ownership, use, occupancy, or maintenance of the Depot in an amount not less than \$1,000,000 per occurrence.

Property Insurance: Landlord shall obtain and keep in force during the term of this Lease a policy or policies of insurance covering loss or damage to the Depot improvements, but not Tenant's personal property, fixtures, equipment, or tenant improvements, in an amount of the full replacement cost thereof, as the same may exist from time to time, providing protection against all perils included within the classification of fire, extended coverage, vandalism, malicious mischief, plate glass, and such other perils as Landlord deems advisable or may be required by a lender having a lien on the Depot. In addition, Landlord shall obtain and keep in force, during the term of this Lease, a policy of rental value insurance

covering a period of one year, with loss payable to Landlord, which insurance shall also cover all Operating Expenses for said period. Tenant shall not be named in any such policies carried by Landlord and shall have no right to any proceeds therefrom. In the event that the Premises shall suffer any insured losses, the deductible amounts under the applicable insurance policies shall be deemed an Operating Expense. Tenant shall not do or permit to be done anything which shall invalidate the insurance policies carried by Landlord. Tenant shall pay the entirety of any increase in the property insurance premium for the Depot over what it was immediately prior to the commencement of the term of this Lease if the increase is specified by Landlord's insurance carrier as being caused by the nature of Tenant's occupancy or any act or omission of Tenant.

Waiver of Subrogation: Tenant and Landlord each hereby release and relieve the other, and waive their entire right of recovery against the other for direct or consequential loss or damage arising out of or incident to the perils covered by property insurance carried by such party, whether due to the negligence of Landlord or Tenant or their agents, employees, contractors, and/or invitees.

Indemnity: Tenant shall indemnify and hold harmless Landlord and its agents, Landlord's master or ground Landlord, partners and lenders, from and against any and all claims for damage to the person or property of anyone or any entity arising from Tenant's use of the Depot, or from the conduct of Tenant's business or from any activity, work or things done, permitted or suffered by Tenant in or about the Premises or elsewhere and shall further indemnify and hold harmless Landlord from and against any and all claims, costs and expenses arising from any breach or default in the performance of any obligation on Tenant's part to be performed under the terms of this Lease, or arising from any act or omission of Tenant, or any of Tenant's agents, contractors, employees, or invitees, and from and against all costs, attorney's fees, expenses and liabilities incurred by Landlord as the result of any such use, conduct, activity, work, things done, permitted or suffered, breach, default, or negligence, and in dealing reasonably therewith, including but not limited to the defense or pursuit of any claim or any action or proceeding involved therein; and in case any action or proceeding be brought against Landlord by reason of any such matter. Tenant, upon notice from Landlord, shall defend the same at Tenant's expense by counsel reasonably satisfactory to Landlord and Landlord shall cooperate with Tenant in such defense. Landlord need not have first paid any such claim in order to be so indemnified.

Exemption of Landlord from Liability: Tenant hereby agrees the Landlord shall not be liable to Tenant's business or any loss of income therefrom or for damage to the goods, wares, merchandise or other property of Tenant, whether such damage or injury is caused by or results from fire, steam, electricity, gas, water or rain, or from the breakage, leakage, obstruction or other defects of pipes, sprinklers, wires, appliances, plumbing, air conditioning or lighting fixtures, or from any other cause, whether said damage results from conditions arising upon the Premises or upon other portions of the Depot, or from other sources or places, or from new construction or the repair, alteration, or improvement of any part of the Depot, or of the equipment, fixtures, or appurtenances applicable thereto, and regardless of whether the cause of such damage or the means or repairing the same is inaccessible. Landlord shall not be liable for any damages arising from any act or neglect of any other Tenant, occupant or user of the Depot, nor from the failure of Landlord to enforce the provisions of any other lease of any other Tenant of the Depot.

14. Property Taxes.

Real Property Taxes: Landlord shall pay real property taxes and associated assessments applicable to the Depot, subject to reimbursement as a Common Area Operating Expense by Tenant in accordance with the provisions of Sections 1.09 and 6. Tenant shall also pay to Landlord the entirety of any increase in real property tax if assessed solely by reason of additional improvements placed upon the Premises by Tenant or at Tenant's request. Real property taxes shall include any form of real estate tax or assessment, general, special, ordinary or extraordinary, and any license fee, commercial rental tax, improvement bond or bonds, levy or tax (other than inheritance, personal income, or estate taxes) imposed on the Depot or any portion thereof by any authority having the direct or indirect power to tax, including any city, county, state or federal government, or any school, agriculture, sanitary, fire, street, drainage or other improvement district thereof.

Personal Property Taxes: Tenant shall pay prior to delinquency all taxes assessed against and levied upon trade fixtures, furnishings, equipment and all other personal property of Tenant contained in the Premises or elsewhere.

15. Assignment & Subletting.

Tenant shall not voluntarily or by operation of law assign, transfer, mortgage, sublet, or otherwise transfer or encumber all or any part of Tenant's interest in the Lease or in the Premises, without Landlord's prior written consent, which Landlord shall not unreasonably withhold (however, Landlord reserves the right to condition any approval to assign or sublet upon Landlord's determination that (a) the proposed assignee or subtenant shall conduct a business on the Premises of a quality substantially equal to that of Tenant and consistent with the general character of the other occupants of the Depot and not in violation of any exclusives or rights then held by other tenants, and (b) the proposed assignee or subtenant be at least as financially responsible as Tenant was expected to be at the time of the execution of this Lease or of such assignment or subletting, whichever is greater). Regardless of Landlord's consent, no assignment or subletting shall release Tenant of Tenant's obligations hereunder or alter the primary liability of Tenant to pay the rent and other sums due Landlord hereunder including Tenant's Share of Operating Expense Increase, and to perform all other obligations to be performed by Tenant hereunder. If Tenant's obligations under this Lease have been guaranteed by third parties, then an assignment or sublease, and Landlord's consent thereto, shall not be effective unless said guarantors give their written consent to such sublease and the terms thereof. The consent by Landlord to any assignment or subletting shall not constitute a consent to any subsequent assignment or subletting by Tenant or to any subsequent or successive assignment or subletting by the subtenant. Landlord shall be a party to, and have the right to review, any proposed subleases and associated documents. If Tenant shall request the consent of Landlord for a proposed assignment or subletting, then Tenant shall pay Landlord's reasonable costs and expenses incurred in connection therewith, including attorneys', architects', engineers', or other consultants' fees.

In the event of any default under this Lease, Landlord may proceed directly against Tenant, any guarantors or anyone else responsible for the performance of this Lease, including the subtenant, without first exhausting Landlord's remedies against any other person or entity responsible therefor to Landlord, or any security held by Landlord or Tenant. The discovery of the fact that any financial statement relied upon by Landlord in giving its consent to an assignment or subletting was materially false shall, at Landlord's election, render Landlord's said consent null and void.

16. Default; Breach; Remedies.

Tenant's Default/Breach: The occurrence of any one or more of the following events shall constitute a material default of this Lease by Tenant:

(a) The breach by Tenant of any of the covenants, conditions or provisions contained within this Lease, where such breach is of an incurable nature.

(b) The failure by Tenant to make any payment of rent or any other payment required to be made by Tenant hereunder, and as when due, where such failure shall continue for a period of three (3) days after written notice thereof from Landlord to Tenant. In the event that Landlord serves Tenant with a Notice to Pay Rent or Quit pursuant to applicable Unlawful Detainer statutes such Notice to Pay Rent or Quit shall also constitute the notice required by this subparagraph.

(c) The failure of Tenant to observe or perform any of the covenants, conditions, or provisions of this Lease to be observed or performed by Tenant, where such failure is curable in nature and continues for a period of three (3) business days after written notice thereof from Landlord to Tenant; provided, however, that if the nature of Tenant's noncompliance is such that more than three (3) business days are reasonably required for its cure, then Tenant shall not be deemed to be in default if Tenant commenced such cure within said three (3) business day period and thereafter diligently pursues such cure to completion. Such three (3) business day notice shall constitute the sole and exclusive notice required to be given to Tenant under applicable Unlawful Detainer statutes.

(d) The discovery by Landlord that any financial statement given to Landlord by Tenant, or its successor in interest or by any guarantor of Tenant's obligation hereunder, was materially false.

Landlord's Default/Breach: Landlord shall not be in default unless Landlord fails to perform obligations required of Landlord within a reasonable time, but in no event later than three (3) business days after written notice by Tenant to Landlord; provided, however, that if the nature of Landlord's obligation is such that more than three (3) business days are required for performance then Landlord shall not be in default if Landlord commences performance within such three (3) business day period and thereafter diligently pursues the same to completion.

Remedies: In the event of any material default or breach of this Lease by Tenant, Landlord may at any time thereafter, with or without notice or demand and without limiting Landlord in the exercise of any right or remedy which Landlord may have by reason of such default:

(a) Terminate Tenant's right to possession of the Premises by any lawful means, in which case this Lease and the term hereof shall terminate and Tenant shall immediately surrender possession of the Premises to Landlord. In such event Landlord shall be entitled to recover from Tenant all damages incurred by Landlord by reason of Tenant's default including, but not limited to, the cost of recovering possession of the Premises; expenses of reletting, including necessary renovation and alteration of the Premises, recapture of any inducement such as abated rent periods, reasonable attorneys' fees, and any real estate commission actually paid; the worth at the time of award of the court having jurisdiction thereof the amount by which the unpaid rent for the balance of the term after the time of such award exceeds the amount of such rental loss for the same period that Tenant proves could be reasonably avoided; that portion of the leasing commission paid by Landlord applicable to the unexpired term of this Lease.

(b) Maintain Tenant's right to possession in which case this Lease shall continue in effect whether or not Tenant shall have vacated or abandoned the Premises. In such event Landlord shall be entitled to enforce all of Landlord's rights and remedies under this Lease, including the right to recover the rent as it becomes due hereunder.

(c) Pursue any other remedy now or hereafter available to Landlord under the laws or judicial decisions of the state wherein the Premises are located. Unpaid installments of rent and other unpaid monetary obligations of Tenant under the terms of this Lease shall bear interest from the date due at the maximum rate then allowable by law.

Late Charges: Tenant hereby acknowledges that the late payment by Tenant to Landlord of Base Rent, Tenant's Share of Operating Expense Increase or other sums due hereunder will cause Landlord to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Accordingly, if any installment of Base Rent, Operating Expense Increase, or any other sum due from Tenant shall not be received by Landlord or Landlord's designee within **five business (5) days** after such amount shall be due, then, without any requirement for notice to Tenant, Tenant shall pay to Landlord a late charge equal to **six percent (6%)** of such overdue amount. The parties hereby agree that such late charge represents a fair and reasonable estimate of the costs Landlord will incur by reason of late payment by Tenant. Acceptance of such late charge by Landlord shall in no event constitute a waiver of Tenant's default with respect to such overdue amount, nor prevent Landlord from exercising any of the other rights and remedies granted hereunder.

17. Estoppel Certificate.

Each party (as "responding party") shall at any time upon not less than ten (10) days' prior written notice from the other party ("requesting party") execute, acknowledge, and deliver to the requesting party a statement in writing (i) certifying that this Lease is unmodified and in full force and effect (or, if modified, stating the nature of such modification and certifying that this Lease, as so modified, is in full force and effect) and the date to which the rent and other charges are paid in advance, if any, and (ii) acknowledging that there are not, to the responding party's knowledge, any uncured defaults on the part of the requesting party, or specifying such defaults if any are claimed. Any such statement may be conclusively relied upon by any prospective purchaser or encumbrancer of the Depot or of the business of Tenant. At the requesting party's option, the failure to deliver such statement within such time shall be conclusive upon such party that (i) this Lease is in full force and effect, without modification except as may be represented by the requesting party, (ii) there are no uncured defaults in the requesting party's performance, and (iii) if Landlord is the requesting party, not more than one month's rent has been paid in

advance.

18. Surrender; Move-out.

On the last day of the term hereof, or on any sooner termination, Tenant shall surrender the Premises to Landlord, which shall include the return of all keys and access control devices, in the same condition as received, ordinary wear and tear excepted, clean and free of debris. Any damage or deterioration of the Premises shall not be deemed ordinary wear and tear if the same could have been prevented by reasonable maintenance practices by Tenant. Tenant shall repair any damage to the Premises occasioned by the installation or removal of Tenant's trade fixtures, alterations, furnishings and equipment, and shall leave the HVAC equipment, power panels, electrical distribution systems, lighting fixtures and lamps, window coverings, wall and floor coverings, ceilings, plumbing fixtures, and all other building systems in the Premises in good operating condition.

19. Holding Over.

If Tenant, with Landlord's consent, remains in possession of the Premises or any part thereof after the expiration of the term hereof, such occupancy shall be a tenancy from month to month upon all the provisions of this Lease pertaining to the obligations of Tenant, except that the rent payable shall be **125%** of the rent immediately preceding the termination date of this Lease, and all Options, if any, granted under the terms of this Lease shall be deemed terminated and be of no further effect during said month to month tenancy.

20. Substituted Premises - Intentionally Omitted

21. Landlord's Access.

Landlord and Landlord's agents shall have the right to enter the Premises at reasonable time for the purpose of inspecting the same, performing any services required of Landlord, showing the same to prospective purchasers, lenders, or tenants, making such alterations, repairs, improvements, or additions to the Premises or to the Depot as Landlord may reasonably deem necessary or desirable and the erecting, using, and maintaining of utilities, services, pipes, and conduits through the Premises and/or other premises as long as there is no unreasonable interference with Tenant's property or business use of the Premises. Landlord may at any time place on or about the Premises or the Building any ordinary "For Sale" signs and Landlord may at any time during the last 120 days of the term hereof place on or about the Premises any ordinary "For Lease" signs. All activities of Landlord pursuant to this paragraph shall be without abatement of rent, nor shall Landlord have any liability to Tenant for the same.

Landlord shall have the right to retain keys to the Premises and to unlock all doors in or upon the Premises other than to files, vaults, and safes, and in the case of emergency to enter the Premises by any reasonably appropriate means, and any such entry shall not be deemed a forcible or unlawful entry or detainer of the Premises or an eviction. This Section shall in no event constitute a waiver of Tenant's right to quiet enjoyment of the Premises.

22. Security.

Tenant hereby acknowledges that Landlord shall have no obligation whatsoever to provide guard service or other security measures for the benefit of the Premises or the Depot. Tenant assumes all responsibility for the protection of Tenant, its agents, and invitees and the property of Tenant and of Tenant's agents and invitees from acts of third parties. Nothing herein contained shall prevent Landlord, at Landlord's sole option, from providing security protection for the Depot or any part thereof, in which event the cost thereof shall be included within the definition of Common Area Operating Expenses.

Tenant shall not permit anyone, except in emergency or with Landlord's prior approval, to go upon the roof of the building nor to access electrical, utility, elevator, machinery or equipment rooms.

23. Signs.

Tenant shall not place any sign upon the Premises or the Depot without Landlord's prior consent. Under no circumstances shall Tenant place a sign on any roof of the Depot. Lettering on directory or monument signs, if applicable and which must be expressly approved herein, shall be provided by Landlord Tenant, and shall conform to the Depot sign criteria. In the event Tenant is permitted signage on the Building exterior, such signage shall be subject to the Depot sign criteria and in accordance with applicable codes, requirements, and governmental approval of the City in which the Building is located. The installation, maintenance, repair, and removal (including any underlying damage caused by removal) of such exterior signage shall be provided by Tenant, at Tenant's sole cost and expense. Failure to maintain such signage shall, at Landlord's option, result in forfeiture of the sign position(s) and removal of existing signage (at Tenant's cost).

24. Subordination.

This Lease, and any Option or first refusal granted hereby, at Landlord's option, shall be subordinate to any ground lease, mortgage, deed of trust, or any other hypothecation or security now or hereafter placed upon the Depot. Notwithstanding such subordination, Tenant's right to quiet possession of the Premises shall not be disturbed if Tenant is not in default and so long as Tenant shall pay the rent and observe and perform all of the provisions of this Lease, unless otherwise terminated pursuant to its terms. Tenant agrees to execute any documents required to effectuate an attornment, a subordination, or to make this Lease or any Option granted herein prior to the lien of any mortgage, deed of trust, or ground lease, as the case may be. Tenant's failure to execute such documents within ten (10) days after written demand shall constitute a material default by Tenant hereunder without further notice to Tenant or, at Landlord's option, Landlord shall execute such documents on behalf of Tenant as Tenant's attorney-in-fact.

25. Options.

As used in this paragraph the word "Option" means the right or option to extend the term of this Lease or to renew this Lease;

Each Option granted to Tenant in this Lease is personal to the original Tenant and may be exercised only by the original Tenant while occupying the Premises. In the event that Tenant has multiple options to extend or renew this Lease a later option cannot be exercised unless the prior option to extend or renew this Lease has been so exercised. All rights of Tenant under the provisions of an Option shall terminate and be of no further force or effect, notwithstanding Tenant's due and timely exercise of the Option, if, during the term of this Lease, (i) Tenant fails to pay Landlord a monetary obligation of Tenant for a period of thirty (30) days after such obligation becomes due (without any necessity of Landlord to give notice thereof to Tenant), or (ii) Tenant fails to commence to cure any curable default or breach of any other provision of this Lease within thirty (30) days after the date that Landlord gives notice to Tenant of such default and/or Tenant fails thereafter to diligently prosecute said cure to completion, or (iii) Landlord gives to Tenant three or more notices of default for the non-payment of rent, whether or not the defaults are cured, or (iv) if Tenant has committed any non-curable breach or is otherwise in default of any of the terms, covenants, and conditions of this Lease.

Any and all Options granted to Tenant, if any, are hereby prescribed as follows:

Option to Extend: So long as Tenant is not in default of this Lease, and has not been habitually in default during the initial or any previously extended Term as determined by Landlord in its sole discretion, Landlord hereby grants Tenant the right to extend the term of this Lease for two (2) additional periods of five (5) years each. Each successive option shall be deemed to have been automatically exercised by Tenant unless Tenant notifies Landlord, in writing, no later than ninety (90) days prior to the expiration of the preceding term, of its intent not to exercise the Option to Extend. The monthly Base Rent for these Option periods granted herein, if exercised, shall be increased annually in accordance with Section 7(a) of this Lease.

26. Damage or Destruction.

In the event the Premises sustains damages of less than fifty percent (50%) of its then replacement value, then Landlord shall repair such damage (except for Tenant's improvements, trade fixtures and equipment) as soon as reasonably possible, and this Lease shall continue in full force and effect, and Rent and other charges shall be abated in proportion to the degree to which Tenant's use of the Premises is impaired. In the event such damages are uninsured, Landlord may elect not to restore and repair the Premises, in which case this Lease shall be terminated. In either case, if such damages or destruction was caused by a negligent or willful act of Tenant, then Tenant shall make all necessary repairs and restorations at its sole cost and expense and this Lease shall continue in full force and effect with no abatement of rent.

In the event the Premises sustains damages of more than fifty percent (50%) of its then replacement value, (unless caused by a negligent or willful act of Tenant in which case Tenant shall make all necessary repairs and restorations at its sole cost and expense and this Lease shall continue in full force and effect with no abatement of rent), this Lease shall terminate effective on the date of such damage or destruction.

27. Eminent Domain.

Eminent domain proceedings resulting in the condemnation of part of the Premises herein that leave the remaining portion usable by Tenant for purposes of the business for which the Premises are leased will not terminate this Lease. If Tenant determines that the remaining portion is not reasonably usable, Tenant may terminate this Lease by giving written notice of termination to Landlord no more than ninety (90) days after the notice of condemnation or taking. The effect of such condemnation, should Tenant not terminate this Lease, will be to terminate this Lease as to the portion of the Premises condemned and leave it in effect as to the remainder of the Premises, and the Rent and all other expenses provided for herein shall be adjusted accordingly. Compensation awarded as a result of such condemnation shall belong to Landlord (including damages for the bonus value of Tenant's leasehold improvements), except to the extent that part of the award is allocated as damages to fixtures of the Depot which were furnished by Tenant, or expenses for Tenant's relocation.

28. General Lease Terms:

Severability. The invalidity of any provision of this Lease as determined by a court of competent jurisdiction, shall in no way affect the validity of any other provision hereof.

Time of Essence. Time is of the essence with respect to the obligations to be performed under this Lease.

Additional Rent. All monetary obligations of Tenant to Landlord under the terms of this Lease, including but not limited to Tenant's Share of Operating Expense Increase and any other expenses payable by Tenant hereunder shall be deemed to be rent.

Prior Agreements; Amendments. This Lease contains all agreements of the parties with respect to any matter mentioned herein. No prior or contemporaneous agreement or understanding pertaining to any such matter, including but not limited to Letters of Intent, Proposals to Lease, and other documentation associated with the negotiation of this tenancy, shall be effective. This Lease may be modified in writing only, signed by the parties in interest at the time of the modification. Except as otherwise stated in this Lease, Tenant hereby acknowledges that no real estate broker on this transaction nor the Landlord or any employee or agents of any said persons has made any oral or written warranties or representations to Tenant relative to the condition or use by Tenant of the Premises or the Depot and Tenant acknowledges

that Tenant assumes all responsibility regarding the legal use and adaptability of the Premises and the compliance thereof with all applicable laws and regulations in effect during the term of this Lease, including but not limited to the Occupational Safety Health Act and the Americans with Disabilities Act ("ADA"); However, Tenant shall not be responsible for ADA and/or CAL OSHA related requirements which may or may not have been addressed prior to the initiation of this Lease.

Notices. Any notice required or permitted to be given hereunder shall be in writing and may be given by personal delivery or by certified or registered mail, and shall be deemed sufficiently given if delivered or addressed to Tenant or to Landlord at the address noted in Section 1.17. Mailed notices shall be deemed given upon actual receipt at the address required, or forty-eight hours following deposit in the mail, postage prepaid, whichever first occurs. Either party may by notice to the other specify a different address for notice purposes. A copy of all notices required or permitted to be given to Landlord hereunder shall be concurrently transmitted to such party or parties at such addresses as Landlord may from time to time hereafter designate by notice to Tenant.

Waivers. No waiver by Landlord or any provision hereof shall be deemed a waiver of any other provision hereof or of any subsequent breach by Tenant of the same or any other provision. Landlord's consent to, or approval of, any act shall not be deemed to render unnecessary the obtaining of Landlord's consent to or approval of any subsequent act by Tenant. The acceptance of rent hereunder by Landlord shall not be a waiver of any preceding breach by Tenant of any provision hereof, other than the failure of Tenant to pay the particular rent so accepted, regardless of Landlord's knowledge of such preceding breach at the time of acceptance of such rent.

Cumulative Remedies. No remedy or election hereunder shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

Performance Under Protest. If at any time a dispute shall arise as to any amount or sum of money to be paid by one party to the other under the provisions hereof, the party against whom the obligation to pay the money is asserted shall have the right to make payment "under protest" and such payment shall not be regarded as a voluntary payment, and there shall survive the right on the part of said party to institute suit for recovery of such sum. If it shall be adjusted that there was no legal obligation on the part of said party to pay such sum or any part thereof, said party shall be entitled to recover such sum or so much thereof as if it was not legally required to pay under the provisions of this Lease.

Covenants and Conditions. Each provision of this Lease performable by Tenant shall be deemed both a covenant and a condition.

Binding Effect; Jurisdiction. This Lease shall bind the parties, their personal representatives, successors, and assigns. This Lease shall be governed by the laws of the State where the Depot is located and any litigation concerning this Lease between the parties hereto shall be initiated in the county in which the Depot is located.

Attorney's Fees. If either party brings an action to enforce the terms hereof or declare rights hereunder, the prevailing party in any such action, trial or appeal thereon, shall be entitled to his reasonable attorneys' fees to be paid by the losing party as fixed by the court in the same or a separate suit, and whether or not such action is pursued to decision or judgment. Landlord shall be entitled to reasonable attorneys' fees and all other costs and expenses incurred in the preparation and service of notice of default (including but not limited to notices required under the Unlawful Detainer statutes) and consultations in connection therewith, whether or not a legal transaction is subsequently commenced in connection with such default. The costs, salary and expenses of the City Attorney and members of his office in enforcing this contract on behalf of the City of San Bernardino shall be considered as "attorney's fees" for the purposes of this paragraph".

Consents. Wherever in this Lease the consent of one party is required to an act of the other party such consent shall not be unreasonably withheld or delayed.

Guarantor. In the event that there is a guarantor of this Lease, said guarantor shall have the same obligations as Tenant under this Lease.

Authority. The individuals executing this Lease on behalf of the Landlord represent and warrant to Tenant that they are fully authorized and legally capable of executing this Lease on behalf of Landlord and that such execution is binding upon all parties holding an ownership interest in the Depot. If Tenant is a corporation, trust, or general or limited partnership, Tenant, and each individual executing this Lease on behalf of such entity represent and warrant that such individual is duly authorized to execute and deliver this Lease on behalf of such entity.

Conflict. Any conflict between the printed provisions, Exhibits, or Addenda of this Lease and the typewritten or handwritten provisions, if any, shall be controlled by the typewritten or handwritten provisions.

Multiple Parties. If more than one person or entity is named as either Landlord or Tenant herein, except as otherwise expressly provided herein, the obligations of the Landlord or Tenant herein shall be the joint and several responsibility of all persons or entities named herein as such Landlord or Tenant, respectively.

ADDITIONAL TERMS:

29. Tenant Improvements. Landlord shall provide tenant improvements and other site improvements for the Premises based upon working drawings and specifications mutually agreed upon by Landlord and Tenant and prepared in accordance with the Space Plan and Specifications, attached hereto as Exhibit "C". The cost of such improvements, including but not limited to architects ' and engineers' fees, cost of permits, materials, labor, general contractor's fees, overhead, Landlord's construction management fee, and other costs related to the construction of the improvements (but shall not include costs for Tenant's cabling, furniture, fixtures, or equipment) shall be paid for by Landlord initially, and Tenant shall reimburse Landlord for such costs, with \$100,000 paid up front in a lump sum due at the beginning of construction, and the remaining balance amortized over the initial term of the Lease and payable monthly concurrent to other rents due. The cost of the tenant improvements is currently estimated to be approximately \$230,000. In addition to the tenant improvements, the parties have identified and estimated the cost of certain necessary site improvements outside of the Tenant's actual leased space that are necessary or beneficial to Tenant's use and occupancy of the Premises. Landlord has agreed to contribute \$45,000 toward the cost of these site improvements, which will not be reimbursed by Tenant. By way of example only using estimated figures (which may not be accurate and are dependent upon the final scope of work and actual costs incurred):

Total improvements costs:	\$275,000.00
Less site improvement costs paid by Landlord:	\$45,000.00
Total tenant improvement costs reimbursed by Tenant:	\$230,000.00
Up front lump sum due from Tenant:	\$100,000.00
Balance owed by Tenant:	\$130,000.00

Amortized monthly over 5 years: \$2,166.67 per month (Amortization Payment)

The Amortization Payment each month shall be paid separately and directly to SANBAG regardless of any agent relationship SANBAG may have for collection of rents.

In the event
