TO: LOCAL AGENCY FORMATION COMMISSION

SUBJECT: Agenda Item #6(a) – Proposed Schedule of Fees, Deposits, and Charges for FY 2018-19

RECOMMENDATION:

Staff recommends that the Commission take the following actions related to the Proposed Schedule of Fees, Deposits and Charges for Fiscal Year 2018-19:

1. Review the proposed amendments and provide staff with direction on changes, corrections, or modifications to be included.
2. Direct staff to forward the Proposed Schedule of Fees, Deposits, and Charges for FY 2018-19 to the County, all Cities/Towns, and all Independent Special Districts for their review and comments pursuant to Government Code Section 56383.
3. Schedule the final review and adoption of the Schedule of Fees, Deposits, and Charges for the May 16, 2018 hearing.

BACKGROUND:

The Commission has established a schedule of fees, deposits, and charges for the processing of proposals and the conduct of proceedings under its purview as allowed by law. This staff report presents the Commission with recommendations for amendments to its current Schedule of Fees, Deposits, and Charges ("Schedule"). The revised schedule is included as an attachment to this report and the changes are highlighted on the draft document. Based upon the requirements of Government Code Section 56383 (which references Section 66016), any change to the Schedule requires that a review and comment period be provided and that a public hearing be held with the opportunity for comment by the public. Today's review opens this process.

The amendments proposed consist of three categories: (1) increase of processing fees, and (2) increase of processing deposits. Staff is proposing that the amended Schedule take effect June 1, 2018 (since applications received in June will be processed in the following fiscal year).

Increase of Processing Fees

Section 56383 includes the provision that the fees shall not exceed the estimated reasonable cost of providing the service for which it is charged. Further, it has been the position of the Commission to keep the fees charged for annexations and reorganizations, etc. at a level that recovers the processing costs but does not unduly burden the applicant(s). The last time the fees were increased was in 2010 when the Commission went to a sliding scale based upon acreage included in the change and locale (different set of fees for Valley/Mountain and Deserts).

Based upon the costs associated with processing proposals (LAFCO personnel costs and advertising costs) has increased over the last eight years, we believe a change is warranted. Therefore, staff recommends the following increases in processing fees (Attachment #1 includes the proposed revised schedule):

A. Processing Fees:

1. Annexation, Detachment, Reorganization – involving solely annexations and/or detachments:

Valley and Mountain Region

	Under 20 acres	20 – 150 acres	151 – 275 acres	Over 275 acres
City	\$6,000	\$8,000	\$10,000	\$10,000 plus \$1 per acre over 275 acres
District	\$5,000	\$6,500	\$8,000	\$8,000 plus \$1 per acre over 275 acres

Desert Region (North and South Desert)

	Under 100 acres	100 – 640 acres	641 – 1,920 acres	Over 1,920 acres
City	\$6,000	\$8,000	\$10,000	\$10,000 plus \$1 per acre over 1,920 acres
District	\$5,000	\$6,500	\$8,000	\$8,000 plus \$1 per acre over 1,920 acres

Staff is also proposing an increase for the Reconsideration Fee changing from its current rate of \$1,100 to \$2,500. The current fee does not cover the typical legal advertising charge for a hearing.

Increase of Processing Deposits

Commission policy requires applicants to reimburse the Commission for all charges and costs in excess of the deposits. The payment is required to be paid prior to issuance of the Certificate of Completion for jurisdictional changes or issuance of the Commission’s resolution for service contracts or sphere of influence amendments. It has been the Commission’s philosophy in the past to set the deposit at a level that requires minimal billing for costs and the norm is a refund of excess deposit. Therefore, we are proposing increases to the deposits for Legal Counsel and Environmental Review based upon increasing costs. The direct costs for processing are billed against these deposits and any unused funds are refunded to the applicant upon completion of the process.

Based upon changes proposed for Legal Counsel services and in other associated processing costs, staff recommends the following increases for the deposits identified below (pages 4 and 5 of the Schedule). The deposit for individual notice required by Government Code Section 56157(f) and (g) has been adequate and no increase is proposed at this time.

A. LEGAL COUNSEL:

1. Legal Counsel Deposit

- a. Jurisdictional Change or Sphere of Influence Change (applicable to actions listed under Item A, #1 through #7)

\$300 non-refundable LAFCO fee	\$1,700 Deposit for LAFCO Legal Counsel costs	\$2,000 Total Deposit required upon application submission
--------------------------------	---	--

- b. Service Contracts Item B #1 through #5

\$300 non-refundable LAFCO fee	\$700 Deposit for LAFCO Legal Counsel costs	\$1,000 Total Deposit required upon application submission
--------------------------------	---	--

B. ENVIROMENTAL REVIEW:

1. Environmental Review Deposit

- a. Jurisdictional Change or Sphere of Influence Change (applicable to actions listed under Item A, #1 through #7)

\$200 non-refundable LAFCO fee	\$800 Deposit for LAFCO Environmental Consultant costs	\$1,000 Total Deposit required upon application submission
--------------------------------	--	--

b. Service Contracts (Item B, #1 through #5)

\$200 non-refundable LAFCO fee	\$500 Deposit for LAFCO Environmental Consultant costs	\$700 Total Deposit required upon application submission
--------------------------------	--	--

4. If the proposal requires that LAFCO prepare a Negative Declaration/Mitigated Negative Declaration or Environmental Impact Report as CEQA lead agency, the California Department of Fish and Wildlife CEQA Environmental Document Filing Fees are required to be paid at the time LAFCO files the Notice of Determination with the Clerk of the Board of the affected County. The fees listed below (which include the County's \$50 processing fee) are current as of January 1, 2018. The applicant will be notified of the appropriate fees, which must be received by LAFCO prior to the Commission hearing:

- | | | |
|----|--|------------|
| a. | Negative Declaration (LAFCO as lead agency) | \$2,330.75 |
| b. | Environmental Impact Report (LAFCO as lead agency) | \$3,218.00 |

CONCLUSION:

It has been more than eight years since the Commission changed its Schedule of Fees, Deposits and Charges for annexations and reorganizations and their associated legal and environmental deposits. The cost for processing applications has increased and will continue to increase in the upcoming Fiscal Year and on into the future; therefore, staff is proposing an across-the-board increase. At this hearing the Commission is requested to provide staff with any changes, corrections, or additions to be included in the revisions proposed for the Schedule of Fees, Deposits, and Charges. Any changes proposed will impact the Proposed Budget for Fiscal Year 2018-19 as its revenue projections use these proposed increases.

The Schedule, as proposed, will be forwarded to the County, the Cities and Towns, and the Independent Special Districts for their review and comment as required by Government Code Section 56383. Any comments received will be reviewed with the Commission at the final budget hearing scheduled for May 16, 2018 when the adoption of the Schedule will be considered.
