Education Grants

K-12 Field Trips

Students learn about water in the lobby

Highlights for 2014-15

- About 4,300 students scheduled to visit through the end of May
- 77 different trips, ranging from transitional kindergarten to high school
- Requests for field trips come from inside and outside CBWCD service area

*"Great field trip! Very organized and informative!
We loved it!"*

*– From an evaluation by a teacher at Lincoln
Elementary School*

K-12 Field Trips

Students examine the pond

Activities Align with Education Standards

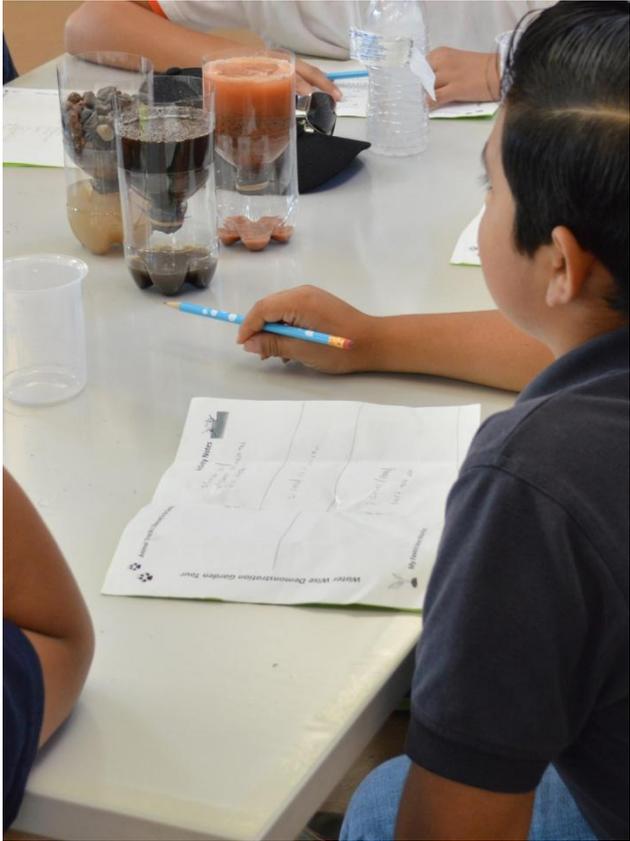

- CA State Framework
- Next Generation Science Standards
- Common Core

“The entire field trip was beneficial to 5th grade students. It covered 5th grade Common Core science standards as well as a wonderful connection to our IB unit ‘Sharing the Planet.’”

– From an evaluation by a teacher at Hawthorne Elementary School

K-12 Field Trips

Soil percolation test

Water Wise Garden Tour
and...

Choice of Age- and
Curriculum- Appropriate

Earth Day Event: 5th Grade Field Trip

'Common Water' activity

Highlights

- Over 25,000 students served in 22 years
- Event brings in local teachers and environmental experts as instructors
- Topics include groundwater, watersheds, composting, water wise plants, & more
- Meets many 5th grade science standards

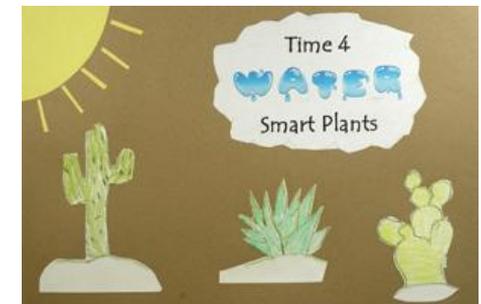

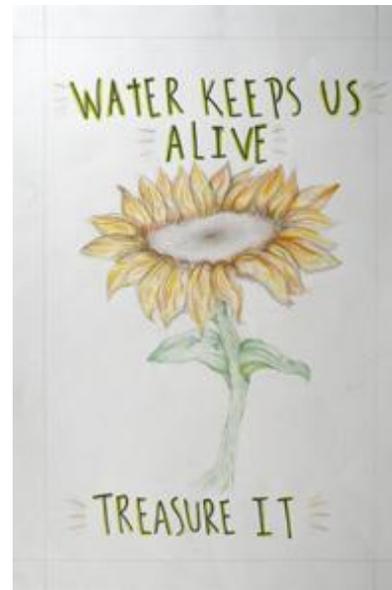

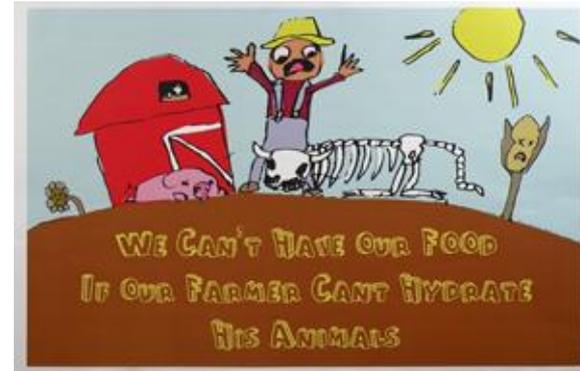

"Earth Day was a great example of what a field trip should be—LEARNING outside the classroom." — Narrie Gavares, 5th grade teacher at Central Elementary School
