SECTION 2. DETERMINATIONS. The following determinations are noted in conformance with Commission policy and Government Code Section 56668:

1. The reorganization area has been certified by the County Registrar of Voters Office as being legally inhabited with 6,986 registered voters as of December 30, 2014.
2. The reorganization area is within the sphere of influence assigned the San Bernardino County Fire Protection District through approval of the companion proposal identified as LAFCO 3185.
3. The County Assessor's Office has determined that the total assessed valuation of land and improvements for the reorganization area is \$1,460,733,112 as of January 13, 2015. This figure is broken down as \$333,542,372 for land and \$1,127,190,740 for improvements.
4. Notice of this hearing was published as required by law in *The Sun* a newspaper of general circulation in the area. As required by State law and Commission policy a 1/8th page legal ad was provided for this consideration in-lieu of individual notice pursuant to the provisions of Government Code Section 56157. In addition, a legal ad was placed in *The Alpenhorn* a weekly paper within the community of Crestline to allow for broader notice. Individual notification has been provided to affected and interested agencies, County departments, and those individuals and agencies having requested such notice. Comments from landowners, registered voters, and any affected local agency have been reviewed and considered by the Commission in making its determination.
5. The proposed reorganization, including annexations to the San Bernardino County Fire Protection District and its Service Zone PM-1, the formation of a Service Zone of the San Bernardino County Fire Protection District and the assumption of the functions and services previously provided by the dissolving Crest Forest Fire Protection District, does not conflict with the established County General Plan or its adopted Crest Forest Community Plan. The proposed reorganization has no direct impact on such land use designations.
6. The Southern California Associated Governments (SCAG) has adopted a Regional Transportation Plan and Sustainable Community Strategy pursuant to the provisions of Government Code Section 65352.5 and approval of LAFCO 3186 has no direct impact on these determinations. The Sustainable Community Strategy includes as a determination of the need to assure the ongoing availability of health and safety services which approval of LAFCO 3186 will support.

RESOLUTION NO. 3196

7. The Commission's Environmental Consultant, Tom Dodson of Tom Dodson and Associates, has indicated his recommendation that the review of this reorganization proposal is statutorily exempt from the California Environmental Quality Act (CEQA). This recommendation is based on the finding that that the proposal will not change the area in which the service is provided; therefore, no physical affect upon the environment can be seen. The Commission certifies it has reviewed and considered the environmental recommendation and finds that a General Rule Statutory Exemption as authorized under Section 15061(b) (3) of the State CEQA Guidelines is appropriate. The Commission directs the Executive Officer to file a Notice of Exemption within five (5) working days.
8. The reorganization area is presently served by the following public agencies: County of San Bernardino, Mojave Desert Resource Conservation District, Crest Forest Fire Protection District and its Service Zones PM-A and PM-1, Crestline-Lake Arrowhead Water Agency, Crestline Village Water District, Crestline Sanitation District, Lake Arrowhead Community Services District, San Bernardino Mountains Community Healthcare District (portion), County Service Areas 18, 54, and 68, and County Service Area 70 (unincorporated County-wide multi-function agency) and its Zones D-1, R-2, R-9, R-23 and R-44.

The Crest Forest Fire Protection District and its Service Zone PM-A will be dissolved through successful completion of this reorganization and their services and functions transferred to the Mountain Service Zone of SBCFPD (for the district) and the newly formed Service Zone PM-4 of SBCFPD (for PM-A) respectively. Service Zone PM-1 of the Crest Forest Fire Protection District will be dissolved and its territory annexed to the existing SBCFPD Service Zone PM-1 with retention of the existing special tax. None of the other agencies will be directly affected by the completion of this proposal through an adjustment in their boundaries as they are regional in nature.

9. Upon reorganization, the primary successor district, the Mountain Service Zone of the SBCPD, will extend its services to residents, landowners and governments within the service area. The Plans for Providing Service, submitted by the Crest Forest FPD and SBCFPD, provide a general outline of the delivery of service as mandated by Government Code Section 56653. These Plans indicates that the transfer of service to the Mountain Service Zone and the creation of a new Service Zone for paramedic funding can, at a minimum, maintain the level of service delivery currently received by the area. The Plan for Service and other information submitted by the District have been reviewed and compared with the standards established by the Commission and the factors contained within Government Code Section 56668. The Commission finds that such Plan for Service and the supplemental data submitted conform to those adopted standards and requirements.
10. The proposal complies with Commission policies and reflects determinations made within the Crest Forest Community service review regarding questions on long-term sustainability of service.

RESOLUTION NO. 3196

The reorganization area can benefit from the assumption of fire protection, emergency medical response and ambulance service through the Mountain Service Zone and Service Zones PM-4 and PM-1 of the SBCFPD as evidenced by the Plans for Service.

11. The reorganization area can benefit from the provision of fire protection, emergency medical response and ambulance service through a single fire entity without requirement for contractual relationships.
12. This proposal will not affect the fair share allocation of the regional house needs as the entire area is unincorporated with the Regional Housing Needs Allocation (RHNA) numbers assigned to the County of San Bernardino.
13. With respect to environmental justice, the reorganization provides for the continuation of existing fire protection, emergency medical response and ambulance services within the area and will not result in the unfair treatment of any person based upon race, culture or income.
14. The County of San Bernardino has determined the exchange of property tax revenues for this reorganization. This negotiated agreement fulfills the requirements of Section 99 of the Revenue and Taxation Code specifying that upon successfully completion of this reorganization the successor agency, Mountain Service Zone of SBCFPD, shall receive the general ad valorem taxes previously received by the Crest Forest FPD.
15. The maps and legal descriptions prepared by the County Surveyor are in substantial compliance with LAFCO and State standards.

SECTION 3. Approval by the Local Agency Formation Commission indicates that completion of this proposal would accomplish the proposed change or organization in a reasonable manner with a maximum chance of success and a minimum disruption of service to the functions of other local agencies in the area.

SECTION 4. The Executive Officer is hereby authorized and directed to mail certified copies of this resolution in the manner provided by Section 56882 of the Government Code.

SECTION 5. The Commission hereby directs that following completion of the reconsideration period specified by Government Code Section 56895(b), the Executive Officer is hereby directed to initiate protest proceedings in compliance with this resolution and State law (Part 4, commencing with Government Code Section 57000), set the matter for consideration of the protest proceedings, and provide notice of the hearing pursuant to Government Code Section 57025 and 57026.

SECTION 6. Upon conclusion of the protest proceedings, the Executive Officer shall adopt a resolution setting forth her determination on the levels of protest filed and not withdrawn and setting forth the action on the proposal considered.

RESOLUTION NO. 3196

SECTION 7. Upon adoption of the final resolution by the Executive Officer, either a Certificate of Completion or a Certificate of Termination, as required by Government Code Sections 57176 through 57203, and a Statement of Boundary Change, as required by Government Code Section 57204, shall be prepared and filed for the proposal.
