### ANNUAL MINE QUESTIONNAIRE INFORMATION SHEET AND APPLICATION

Mine operators are required to provide a Mining Operation Annual Report to the State Department of Conservation and to the County Land Use Services Department on a date established by the State Department of Conservation, using forms furnished by the State Mining and Geology Board. The County is required to conduct an inspection of the surface mining operation within six (6) months after receipt of the annual report to determine whether the mining operation is in compliance with the approved Conditional Use Permit and/or Reclamation Plan, approved financial assurances, and State regulations.

The County is required to notify the State Department of Conservation upon completion of the inspection that the inspection has been conducted and of any findings made by the County.

The operator of the mining operation is responsible for filing an application with the County requesting an inspection and for paying the County's cost of conducting the inspection.

#### FEES/DEPOSITS

Fees must be submitted at the time of filing the application and must be in the form of a check or money order made payable to the "County of San Bernardino." Please indicate your CA Mine ID number on check or money order.

##### **Planning Initial Deposit**

Less than 50 acres disturbed (J652) .....	\$3,650.00
50 acres or more disturbed(J653) .....	\$5,000.00

NOTE: 50% of initial deposit is due on a date to be determined by the Department. The remaining 50% of the initial deposit is due on a date to be determined by the Department.

**"Actual Cost Initial Deposit"** – The basic review fees for this application are charged on an "actual cost" basis. Your application fee is deposited into an account and the reviewing staff records the time spent on inspections and reviewing your documents. Your account is then charged for the staff time at established hourly rates (\$105.00 to \$193/hr). You are responsible for all charges made to the project account. If account funds are depleted, an additional deposit will be required. If an additional deposit is required, it must be paid to allow staff to continue inspections and review. Any failure to make the required deposit may result in fines being imposed in addition to the required fee.
