UNLICENSED RESIDENTIAL CARE FACILITY PERMIT
FOR SIX OR FEWER DISABLED RESIDENTS
INFORMATION SHEET AND APPLICATION

FEE:

Table with 2 columns: Fee Description and Amount. Rows include Unlicensed Residential Care Facility (L607) at \$520.00, Records Media Conversion for Job Closure (L697) at \$25.00, and a TOTAL of \$545.00.

The Unlicensed Residential Care Facility Permit (RCP) procedure is intended to provide a less complex and streamlined review procedure for unlicensed residential care facilities serving six or fewer disabled residents. It is to be used where the Development Code Land Use Districts Land Use Tables indicate that these projects can be approved using the RCP process.

RCPs are considered by the Land Use Services Director using the Staff Review without Notice procedures. An appeal of a Director's decision on the application for an RCP must be filed within ten days following the date of the action. Appeals must be made by means of a separate application.

Please use this information sheet as a checklist to assemble the materials required for the submittal of your application and bring it with you when you submit it to the County.

GENERAL PROCEDURES

- 1. Submit application and fees - County staff will use the checklist to determine whether your application may be accepted. The County's standard Land Use Application shall be used and is contained in this packet with some added questions for these uses.
2. Determination of Application Completeness - County staff will determine whether the materials you have submitted are adequate or if additional materials or reports are required. You will be notified in writing if any additional materials are required.
3. Application processing - The project planner will have the project and materials reviewed by all appropriate County Departments and Agencies. Any required corrections, questions or revisions to the plans or other materials will be reviewed by the project planner and then provided to you.

Note: Ordinance 4230 allows persons or firms, on behalf of persons with disabilities, to request Reasonable Accommodation from the Unlicensed Residential Care Facility Permit requirement and from other aspects of the Development Code. - (a) Each unlicensed residential care facility shall conform to the property development standards for the land use zoning district in which it is located.
- (b) No more than two unlicensed residential care facilities shall be located on the same block within a Single Residential (RS) Land Use Zoning District. Additional facilities may be sited within said block through the reasonable accommodation process. A "block" is defined in Subsection 810.01.040(j) of this Title.
- (c) The operator of the facility shall maintain the residential character of the facility, including the building façade, fences, walls and landscaping. All trash and food items shall be promptly and properly contained within closed containers, pending weekly trash collection. The operator shall ensure that adequate containers are provided for the facility, and the containers shall be stored in an area screened from public view.
- (d) The facility shall comply with all laws, rules and regulations that apply to its operation, including any building and fire codes. Compliance with all rules and regulations may be verified by an inspection conducted by a code enforcement officer, building inspector, and/or fire inspector, prior to the issuance of any Unlicensed Residential Care Facility Permit.
- (e) The property shall comply with all applicable disabled access regulations that are required by the California Building Code and the Americans with Disabilities Act.

Parking spaces may include garage, carport, and driveway spaces, and may allow for tandem parking. In the Mountain Region, no overnight on-street parking shall be allowed, except where the street is paved to the full width of the ultimate right-of-way.
