

Administration, Corrections and Detention

DESCRIPTION OF MAJOR SERVICES

Probation executive management is responsible for the overall leadership by focusing on management integrity, relying on recognized professional practices, and developing innovative programs to meet the changing needs of the population.

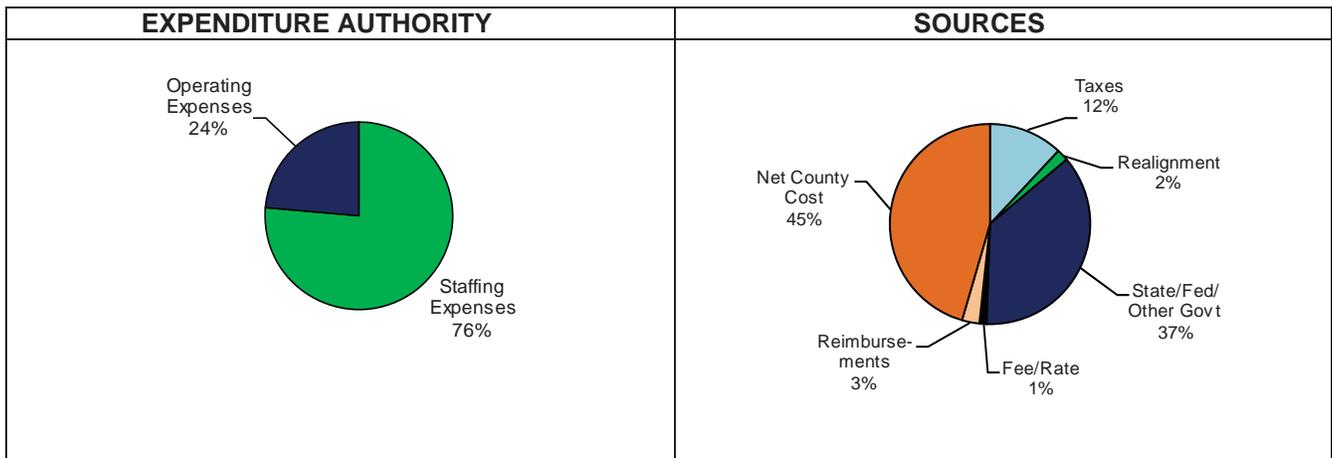

The Community Corrections Bureau (CCB) is responsible for adult and juvenile supervision, investigation reports for the courts, and case management services. CCB focuses on providing appropriate evidence-based treatment and supervision services as determined through validated assessment tools. Supervision services focus on criminogenic risk factors, and offer a variety of supervision levels including specialized services for sex and domestic violence offenders, gang members, mental health caseloads, and as of October 1, 2011 the department has taken responsibility for those offenders previously supervised on State Parole caseloads that were shifted to County responsibility per AB 109 (Public Safety Realignment). In response to Public Safety Realignment, the department will operate three Day Reporting Centers (DRC) in each of the county's geographic regions for the adult population. The DRCs will offer a variety of options from supervision and mental health services to workforce development programs all designed to prevent recidivism and direct the offender to a self-sufficient and productive lifestyle.

The Detention Corrections Bureau (DCB) operates the County's Juvenile Detention and Assessment Centers (JDAC) and treatment programs in secured environments for legally detained and court-ordered minors. The centers provide risk assessments, medical, educational and programmatic needs of the minors. The JDACs had a combined average daily population of 370 minors in 2011.

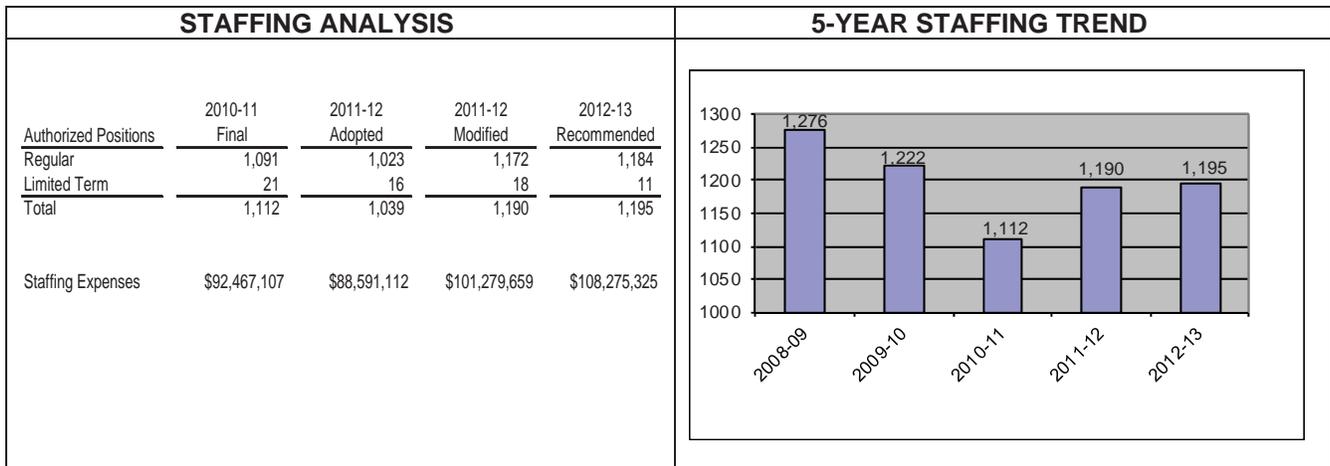

The Administrative Services Bureau (ASB) provides all organizational and specialty support functions to include fiscal, personnel/payroll, purchasing, accounts payable, information systems, research/analytical support, courier/file management, and the Professional Standards unit.

BUDGET CHANGES AND OPERATIONAL IMPACT

Total appropriation is increasing by \$5.7 million primarily due to the additional amount for the full year cost of implementing the public safety realignment during 2011-12. These costs include staffing, operation of day reporting centers, contracts with community based organizations, and transitional housing needed to supervise and rehabilitate "low level" adult offenders transferred to the county from state parole caseloads. These costs are offset by additional AB109 funds. The 2012-13 budget also reflects the addition of \$5.3 million of Juvenile Probation Funding from the state to support a broad spectrum of services targeting at-risk youth, juvenile offenders (including both those on probation or in detention) and their families. However, this revenue is primarily offset by a reduction to the department's net county cost. Furthermore, the department is budgeting a nearly \$2.0 million increase in taxes for Prop 172 revenue based on estimates provided by the County Administrative Office.

MAJOR EXPENDITURES AND REVENUE IN 2012-13 RECOMMENDED BUDGET

The majority of expenditures for the Probation Department consist of providing supervision and case management services for adult and juvenile offenders, including operation of day reporting centers and other costs intended to reducing recidivism. The department also operates two detention and assessment centers and one placement facility for detained juveniles, as well as provides the San Bernardino Superior and Juvenile Courts with sentencing reports, legal recommendations, evaluations, and victim services. Financing sources for the department are primarily comprised of AB 109 funds (\$26.3 million), Prop 172 revenues (\$17.0 million), Youthful Offender Block Grant (\$8.8 million), federal Title IV monies (\$8.0 million), Juvenile Probation Funding from the state (\$5.3 million), reimbursements from other departments/budget units (\$4.0 million), and realignment funding (\$2.7 million).

STAFFING CHANGES AND OPERATIONAL IMPACT

The department is adding 12 new Office Assistant III positions to help fulfill the clerical work demands associated with implementing the public safety realignment. The cost of these positions is being offset by AB109 funds. Also, an extra-help Correctional Nurse-Per Diem position is being added to assist with the health needs of juveniles at the JDACs. Partially offsetting these additions is the deletion of 8 extra-help/recurrent Probation Corrections Officer positions that have been vacant for more than one year.

The 2012-13 budget includes the reclassification of a Fiscal Specialist position to Accountant III pending completion of review by Human Resources.
