I. OBJECTIVE

The County of San Bernardino Office of Homeless Services (OHS), acting on behalf of the San Bernardino County Homeless Partnership, is requesting proposals from nonprofit and local government organizations providing assistance to homeless populations within the County of San Bernardino. OHS seeks projects that can make maximum efficient, economical, and effective use of the prospective allocation of the United States Department of Housing and Urban Development (HUD) Continuum of Care (CoC) funds through the McKinney-Vento Act. The County of San Bernardino is a *Housing First County* and is interested in receiving proposals that seek to assist chronic homeless persons and disabled homeless individuals and families with permanent supportive housing.

To ensure the San Bernardino County CoC is positioned to respond to the Notice of Funding Availability (NoFA), OHS is administering the local procurement at this time. OHS is requesting nonprofit and local government organizations interested in receiving funding to assist homeless populations within the County of San Bernardino complete and submit the County of San Bernardino 2012 Continuum of Care Homeless Assistance Grant Application (see **Attachment I, Program Application**) and required documents listed on the checklist (see **Attachment II, Application Checklist**). Agencies approved by the County of San Bernardino Interagency Council on Homelessness will be asked to submit a final proposal through HUD's e-snaps system.

II. BACKGROUND

The County of San Bernardino, on behalf of the Homeless Partnership, shall submit an application to HUD for federal CoC assistance to provide essential services to assist homeless persons and families in the County of San Bernardino. See **Attachment III, GeoCodes**, for a complete list of areas within the County of San Bernardino served with HUD 2012 CoC Homeless Programs. It is anticipated that \$6,267,518 in Preliminary Pro-Rata Need ¹ (of which \$3,072,680 is Hold Harmless Need ²) will be made available to fund projects to assist homeless populations throughout the County of San Bernardino. The CoC plan being submitted to HUD will include a Permanent Housing Bonus of up to \$940,128 for permanent housing projects serving chronic homeless persons, homeless disabled individuals and families. Thus, the San Bernardino CoC could be in a position to receive an overall award of up to \$7,207,646 through this federal competition. Of this amount, \$4,134,511 may be available for new programs and \$3,072,680 may be available for renewals.

This Request for Proposal (RFP) announces the intention of the Interagency Council on Homelessness (ICH) to receive new applications through three components of the McKinney-Vento Homeless Assistance Act: 1) Supportive Housing Program; 2) Shelter Plus Care; and 3) Section 8 Moderate Rehabilitation Program for Single-Room Occupancy Dwellings for Homeless Individuals. These programs are authorized by title IV, subtitle C, of the Stewart B. McKinney-Vento Homeless Assistance Act, 42 U.S.C. 11381 subject to program regulations at 24 CFR part 583 (Supportive Housing Program); 42 U.S.C. 11403 subject to the program regulations at 24 CFR part 582 (Shelter Plus Care Program); and 42 U.S.C. 11401 subject to

¹ The preliminary pro-rata need is the total allocation for all jurisdictions within the San Bernardino City and County Continuum of Care (CoC). Although HUD allocates the amounts by city and county, the CoC pools the amounts to be utilized for projects throughout the county.

² The amount allocated to each CoC to provide enough funding to meet Supportive housing Program renewal needs for one year.

the program regulations at 24 CFR part 882, subpart H (SRO Moderate Rehabilitation for SROs). This RFP is for new projects only. All current HUD Grantees eligible for project renewal will be notified by OHS regarding the renewal process.

OHS is soliciting proposals from nonprofit and local government providers of homeless services, which will effectively utilize all or part of the funds available as direct grantees with HUD.

III. PROCUREMENT CONDITIONS

A. Priorities

Major priorities this year will be identifying one or more providers of permanent supportive housing, particularly those that propose units for chronic homeless persons and/or disabled homeless individuals and families (Permanent Housing Bonus). Please note - Permanent Supportive Housing is a local priority.

B. Negotiations

OHS reserves the right to negotiate with potential grantees relative to pricing, technical information, and/or other items from their proposal(s).

C. CoC Homeless Program Questions

Questions regarding the CoC Homeless Program and/or procurement process must be sent, via email, to homelessrfp@hss.sbcounty.gov. In the subject line please type: **CoC Question--SB** to ensure the email is properly routed. Please note that OHS is only permitted to answer questions and shall not provide assistance that may provide a competitive advantage to a proposal. All questions regarding the CoC Homeless Program and procurement process must be submitted by the date and time indicated in **Section VII, SCHEDULE**, of this RFP. All responses to questions will be posted as an addendum on the County's Purchasing Web-Site.

D. Energy Efficiency

OHS supports the *Energy Star* initiative that encourages the use of energy-efficient appliances (see **Attachment IV, Energy Star**, and www.energystar.gov). Applications for new projects will only be included in the CoC plan if the applicant agrees to utilize only Energy Star appliances in their projects. Applicants should also note that all projects proposing rehabilitation or new construction shall be required to conduct outreach to employ low- and very low-income persons per the Housing and Urban Development Act of 1968 (known as Section 3).

IV. PROGRAM COMPONENTS

This RFP is for new projects only. All current HUD Grantees eligible for project renewal will be notified by OHS regarding the renewal process.

A. Three Program Components

HUD CoC funding is available through three distinct components: Supportive Housing Program (SHP), Shelter Plus Care (S+C), and Section 8 Moderate Rehabilitation Program for Single-Room Occupancy Dwellings for Homeless Individuals (SRO). Each project component has unique requirements as to eligible applicants and eligible activities. The chart below summarizes some of the key eligibility requirements of these components. More complete information may be obtained on each component at the HUD Homeless Resource Exchange website: www.hudhre.info.

Program Component	Eligible Applicants	Eligible Activities	Grant Terms New Projects
Supportive Housing Program (SHP)	Non-profits and units of general local government, and States	<ul style="list-style-type: none"> • Acquisition • Rehabilitation • New Construction • Operations • Supportive Services • Leasing • HMIS • Administration 	<ul style="list-style-type: none"> • 1 year
Shelter Plus Care (S+C)	States, local government units, and public housing agencies (PHAs).	<ul style="list-style-type: none"> • Rental assistance (any type of units) 	<ul style="list-style-type: none"> • 5 years tenant-based or sponsor based • 10 years project-based with rehabilitation
Section 8 Mod. Rehab. For Single Room Only (SRO)	Public Housing Authorities (PHAs) and nonprofits in conjunction with PHAs	<ul style="list-style-type: none"> • Rental assistance (SRO units only) 	<ul style="list-style-type: none"> • 10 years

B. Eligible Populations

Only projects assisting homeless populations within the County of San Bernardino GeoCodes (See Attachment III) shall be considered for inclusion in the CoC application.

Eligible populations include the four broad categories listed below:

1. People who are living in a place not meant for human habitation, in emergency shelter, in transitional housing, exiting an institution where they temporarily resided.
2. People who are losing their primary nighttime residence, which may include a motel or hotel or a doubled up situation, within 14 days and lack resources or support networks to remain in housing. HUD had previously allowed people who were being displaced within 7 days to be considered homeless.
3. Families with children or unaccompanied youth who are unstably housed and likely to continue in that state. This is a new category of homelessness, and it applies to families with children or unaccompanied youth who have not had a lease or ownership interest in a housing unit in the last 60 or more days, have had two or more moves in the last 60 days, and who are likely to continue to be unstably housed because of disability or multiple barriers to employment.
4. People who are fleeing or attempting to flee domestic violence, have no other residence, and lack the resources or support networks to obtain other permanent

housing. This category is similar to the current practice regarding people who are fleeing domestic violence.

Governing regulations include an income eligibility test restricting assistance to persons below 50% of Area Median Income, adjusted for household size.

Eligibility for Projects Serving Chronically Homeless, including those eligible for the Permanent Housing Bonus

Eligible populations for projects funded through the Permanent Housing Bonus must be Chronically Homeless individuals or homeless disabled individuals and families.

A person who is “chronically homeless” is defined as an unaccompanied homeless individual with a disabling condition, or a family with at least on adult member who has a disabling condition, who has either been continuously homeless for a year or more OR has had at least four (4) episodes of homelessness in the past three (3) years.” An episode of homelessness is a separate, distinct, and sustained stay in a place not meant for human habitation, on the streets, in an emergency homeless shelter and/or in a HUD-defined Safe Haven.

A disabling condition is defined as a diagnosable substance abuse disorder, serious mental illness, developmental disability, or chronic physical illness or disability, including the co-occurrence of two or more of these conditions.

To be considered chronically homeless, persons must have been sleeping in a place not meant for human habitation (e.g., living on the streets) and/or in an emergency shelter during that time. An episode is a separate, distinct, and sustained stay on the streets and/or in an emergency homeless shelter.

C. Eligible Projects

SHP funds can be used to develop and operate permanent supportive housing The S+C and the SRO are permanent supportive housing programs that provide rental assistance. The S+C rental assistance can be used as tenant-based, sponsor-based, project-based, and project-based with rehabilitation, and SRO-based assistance. HUD requires that homeless persons receiving rental assistance from either the S+C or SRO programs come either directly from the streets or emergency shelters, or from a transitional housing facility if they were either on the streets or an emergency shelter just prior to entering the transitional housing program.

Note – The County of San Bernardino is a *Housing First* County and is only accepting proposals that seek to assist chronic homeless persons and disabled homeless individuals and families with permanent supportive housing.

Applicants are strongly encouraged to review the program regulations for the component for which it will be applying. HUD has posted on the Internet complete guidance on each program component (<http://esnaps.hudhre.info/projectapps.cfm>).

Agencies that submit a proposal will be notified if their proposal has been recommended for funding by the Grant Review Committee. Agencies recommended for funding by the Grant Review Committee and approved by the County of San Bernardino ICH must attend a Technical Assistance Workshop and a Mandatory Final Review. Agencies recommended for funding will be notified of the deadline to enter their final application in e-snaps when HUD releases the NoFA in August or September 2012.

OHS shall use its resources to assist applicants in submitting project proposals that conform with the program regulations, but neither the County of San Bernardino nor the San Bernardino County Homeless Partnership make any representation that funding is guaranteed, or that their interpretations of the regulations are fully consistent with HUD's. The responsibility for the completeness of an application and its conformity with the relevant HUD regulations is the sole responsibility of each applicant.

V. MAXIMUM REQUESTS AND LIMITS

HUD has established limits on the amount of Supportive Housing Program grant funds that may be requested for a particular project.

SHP Applications for new projects may include up to \$400,000 for the following combined development activities:

- New Construction
- Acquisition
- Rehabilitation

In addition to the limit on how much funding may be made available for a particular SHP project, no agency may submit more than two SHP applications for new projects. Eligible SHP renewal projects shall not be counted against the new project limit on the number of applications that an agency may submit.

Limits concerning supportive services, operations, HMIS, and administration will be made known to applicants once HUD publishes the limits for this round of funding.

VI. GRANT TERMS

Please note that the term for each grant depends on the program component for which applications are submitted. New Supportive Housing Program (SHP) requests must be for one year. New Shelter Plus Care (S+C) proposals must be for five years (or ten years for S+C Project-based Assistance), and new Section 8 Moderate Rehabilitation (SRO) Program applications must be for ten years.

Please see **Attachment V, Summary Information on the Supportive Housing Program**, for additional guidance relative to SHP projects.

IX. GENERAL REQUIREMENTS FOR ALL GRANTEES/PROJECT SPONSORS

Please be aware of the following requirements of all grantees and project sponsors.

A. Financial Requirements Summary

CoC funded programs are subject to the uniform policies and requirements of the federal Office of Management and Budget's (OMB) Circulars and Federal regulations implementing the Circulars. The grantee must meet any applicable audit requirements in accordance with the Office of Management and Budget Circulars A-133, A-128, and A-110. The nonprofit grant recipient will be responsible for costs associated with an independent audit. As applicable, the audit must be provided to HUD in a timely manner.

B. Grant Administration

Grantees are responsible for ensuring that homeless assistance funds are administered in accordance with the requirements of applicable laws and program regulations.

C. Performance Reports

All applicants are hereby advised that as a condition of being included in the final application to HUD, all applicants must enter into a Memorandum of Understanding (MOU) with the OHS. This MOU will provide OHS necessary access to the applicant's project for monitoring and evaluation purposes. In addition, the applicant will be required to provide quarterly performance reports and the Annual Performance Report (APR) filed with HUD to the OHS.

D. Record-keeping

Each grantee must ensure that records are maintained for a three-year period after the final expenditure to document compliance with the provisions of the program regulations, and to make them available to HUD upon reasonable advance notice. Grantees are expected to use standard accounting practices in their fiscal recordkeeping.

E. Timely Use of Funds

Grantees are expected to utilize McKinney-Vento assistance in a timely manner. The program regulations make clear the standards that grantees will be held to regarding program implementation. HUD reserves the right to recapture funds not committed within 12-months of grant execution.

Grantees are required to utilize the Homeless Management Information System (HMIS) data tracking system for case management activities. HMIS is the computerized data collection tool specifically designed to capture client-level information over time on:

1. The characteristics and service needs of men, women, and children experiencing homelessness
2. The services provided to these clients

X. METHOD OF EVALUATION

The Grant Review Committee will complete the review and evaluation process and prepare a priority list of grantees. All agencies will be notified of the Grant Review Committee recommendation for their agency.

Evaluation Factors

Projects will be evaluated to determine if their historical or anticipated performance merits inclusion in the CoC application. Projects that may reduce the overall CoC score may be excluded from the CoC application. Projects will only be included in the submission to HUD if they demonstrate capacity to initiate a new project in a timely manner.

New Projects will be ranked by the Grant Review Committee within the following categories:

1. Permanent supportive housing applications serving chronic homeless persons and families and/or homeless disabled individuals and families (Permanent Housing Bonus)

During the application review process all Hold Harmless Need (HHN) funds not awarded may be applied to the Preliminary Pro-Rata Need (PPRN).

Projects will be included in the CoC plan until the estimated Preliminary Pro-Rata Need and Permanent Housing Bonus funds have been exhausted. Funds for S+C renewal projects are provided by HUD in addition to each CoC's pro-rata need and are to be included in the submission to HUD following the list of projects fitting within the Preliminary Pro-Rata Need (plus any bonus funding). The Grant Review Committee will approve projects that clearly demonstrate the following:

Projects Rating Factors

2. Percentage of funding request for housing-related activities (the higher the percentage for housing the better). The following budget categories shall be included in this calculation:
 - a) Acquisition
 - b) Rehabilitation
 - c) New construction
 - d) Leasing
 - e) Housing operations
3. Leverage (relative to other new projects)
4. Targeting of chronic homeless populations
5. Cost effectiveness
6. Participation in the San Bernardino County Homeless Provider Network
7. Participation in the San Bernardino County Point In Time Count
8. Level of participation and quality of data entered in the San Bernardino County Homeless Management Information System (if applicable).

Leveraging Certification

The following format must be used to certify leveraging use for this project. Please use your agency letterhead and attach to this document..

Leveraging Certification

I certify on behalf of _____ and attest that all leveraged

sources and amounts contained in Leveraging Certification have not been previously used in other project(s) and/or Continuum of Care Homeless Assistance Program competitions. All information contained in the Leveraging Chart is true and accurate to the best of my knowledge.

Authorized Person Signature and Date

Note: The County verifies all leveraging by checking previous applications made to HUD under the CoC application. Applications that duplicate leveraging will be disqualified from this RFP process and will not be included in the final application to HUD.

K. Homeless Management Information System (HMIS) Participation

All projects must indicate their level of participation in the CoC's HMIS.

Does this project provide client level data to HMIS at least annually?

Yes No Not Applicable (HMIS dedicated projects only)

If the project is providing participant data in the HMIS - indicate the total number of participants served by the project, and the total number of clients reported in the HMIS. Also, for those participant records that were reported in the HMIS, indicate the percentage of values that were missing ("Null or Missing Values") and/or unknown ("Don't Know or Refused"). If there were no unknown values, note a "0" value.

If the project is not providing participant data in the HMIS - indicate one or more of the four (4) reason(s) for non-participation:

- Federal law prohibits (please cite specific law)
- State law prohibits (please cite specific law)
- New project not yet in operation
- Other (please specify prohibition)

L. Standard Performance Measures

For each applicable question on this form, the Applicant must establish performance measurement goals for this project. All applicants are required to set a housing stability goal and to select at least one other performance measure on which the grantee will report performance in the Annual Performance Report (APR). The "Universe" column specifies the total number of persons about whom the measure is expected to be reported. In the "Target #" column, applicants should specify the number of applicable clients (e.g., the number of persons for whom the goal is relevant) who are expected to achieve the measure within the operating year. The system will calculate a percentage in the "Target %" column. For example, if 80 out of 100 clients are expected to remain in the permanent housing program or exit to other permanent housing, the target % should be "80%".

Specify the universe and target numbers for the following required performance measure(s).

Housing Measure	Universe #	Target #	Target %
Persons remaining in permanent housing as of the end of the operating year.			
Persons exiting to permanent housing (subsidized or unsubsidized) during the operating year.			

Choose one income-related performance measure from below, and specify the universe and target numbers for the goal.

Housing Measure	Universe #	Target #	Target %
Persons age 18 and older who maintained or increased their total income (from all sources) as of the end of the operating year or program exit.			
Persons age 18 through 61 who maintained or increased their earned income as of the end of the operating year or program exit.

Energy Star

Did You Know?

Your home can cause twice the greenhouse gas emissions of a car.

What is ENERGY STAR?

ENERGY STAR is a government-backed program helping businesses and individuals protect the environment through superior energy efficiency.

Results are already adding up. In 2004 alone, Americans, with the help of ENERGY STAR, saved enough energy to power 24 million homes and avoid greenhouse gas emissions equivalent to those from 20 million cars - all while saving \$10 billion.

For the home

Energy efficient choices can save families about a third on their energy bill with similar savings of greenhouse gas emissions, without sacrificing features, style or comfort.

ENERGY STAR helps you make the energy efficient choice. If looking for new household products, look for ones that have earned the ENERGY STAR. They meet strict energy efficiency guidelines set by the EPA and US Department of Energy.

If looking for a new home, look for one that has earned the ENERGY STAR.

If looking to make larger improvements to your home, EPA offers tools and resources to help you plan and undertake projects to reduce your energy bills and improve home comfort.

For Business

Because a strategic approach to energy management can produce twice the savings - for the bottom line and the environment - as typical approaches, EPA's ENERGY STAR partnership offers a proven energy management strategy that helps in measuring current energy performance, setting goals, tracking savings, and rewarding improvements.

EPA provides an innovative energy performance rating system which businesses have already used for more than 21,000 buildings across the country. EPA also recognizes top performing buildings with the ENERGY STAR.

ADDITIONAL INFORMATION ON ENERGY STAR CAN BE FOUND AT:
