

DON'T ABANDON UNWANTED PETS!

MOST PETS THAT ARE ABANDONED SOON DIE TERRIBLE DEATHS FROM HUNGER OR THIRST, FROM EXPOSURE TO HEAT OR COLD OR RAIN, FROM BEING HIT BY CARS OR ATTACKED BY OTHER ANIMALS. THEY CAUSE PROBLEMS FOR PEOPLE, AND FOR THIS REASON THEY ARE OFTEN SHOT OR POISONED.

ABANDONING ANIMALS IS AGAINST THE LAW. IF YOU CAN NO LONGER KEEP A PET AND CANNOT FIND A NEW HOME FOR IT, TAKE IT TO AN ANIMAL SHELTER OR HAVE IT EUTHANIZED BY A VETERINARIAN.
