

DON'T GIVE EASTER PETS.

TOO OFTEN, FLUFFY BUNNIES AND FUZZY CHICKS AND DUCKLINGS ARE BOUGHT AND GIVEN AS EASTER PETS WITH NO THOUGHT OF THE RESPONSIBILITY OF CARING FOR THEM. MOST SUFFER AND DIE IN A WEEK OR TWO DUE TO IMPROPER CARE AND HANDLING. THOSE WHO LIVE ARE USUALLY SOON UNWANTED AS THEY GROW LARGER, WILDER, NOISIER, AND MESSIER. PLEASE DON'T CONTRIBUTE TO THIS PROBLEM.
