

YOU MAY BE THE PERFECT CAT OWNER IF YOU —

- Think scratching everything within reach is a sign of intelligence
- Think 15 years of caring for a pet does not seem like a lifetime
- Look forward to having your ankles rubbed dry by an affectionate, hairy animal after each shower
- Don't mind sharing your house with someone who sheds, tracks kitty litter, and throws up hairballs
- Don't mind sharing your house with someone who will never clean up after themselves
- Don't mind a housemate who will randomly and regularly entertain you with silly antics (at their whim, not yours)
- Want to take care of someone every day
- Want your lap warmed whenever you sit down
- Would like to spend your extra money on pet food, toys, veterinary care, kitty litter, and more kitty litter
- Want to be welcomed with a soft purr of appreciation
- Believe that spaying and neutering pets will help solve the pet overpopulation problem
- Can't imagine leaving your devoted pet behind when you move
- Want to keep an ID tag on your pets, so they can get back to you no matter what
- Enjoy unconditional love and constant companionship
