---

Please be advised that the County of San Bernardino, Department of Public Health, Division of Environmental Health (LEA) has approved an application by Big Bear Disposal Inc. to operate a Medium Volume Transfer/Processing Facility. The LEA is certified by the California Department of Resources, Recycling and Recovery (CalRecycle) to enforce state laws and regulations at solid waste sites within the County of San Bernardino, including all active and closed landfills.

Description of Project and LEA's Approval

Big Bear Disposal Medium Volume Transfer/Processing Facility will be receiving up to 50 tons per day of comingled recyclable materials generated from designated public trash collection sites and commercial businesses. All materials will be removed generally within 72 hours and no hazardous material will be accepted. This site will be operating Monday to Saturday from 8:00 am to 9:00 pm and closed on Sundays. On March 16, 2015 the LEA accepted the Registration Permit application and Facility Plan submitted by the operator of Big Bear Disposal Medium Volume Transfer/Processing Facility as complete and correct for filing. The LEA finds the Medium/Processing Facility consistent with the requirements of Title 14 of the California Code of Regulations and has issued a permit to operate a Medium Volume Transfer/Processing Facility.

Where to get additional information

A copy of the Registration Permit and Facility Plan are on file and available for public review by appointment in the LEA office located at 385 N. Arrowhead Ave, 2<sup>nd</sup> Floor, San Bernardino, CA 92415.
