Description of Project and LEA's Preliminary Determination

The Big Bear Transfer Processing Facility is located at 38550 Holcomb Valley Road, Big Bear, CA, 92314. On July 29, 2016 the LEA received, from Big Bear Transfer Processing Facility, a Solid Waste Facility Permit (SWFP) application package to amend the TPR to add updated information regarding the modification of their MRF sorting line and the addition of a C&D sorting line, staffing changes, and equipment list changes. The changes include:

- Cover
- Table of Contents Pages I, II, and III
- TPR Text pages 5, 8, 9, 13, 14, 18, 23, 24, and 25

The LEA finds that the proposed change is consistent with all applicable certified and/or adopted CEQA documents, is consistent with State Minimum Standards, and does not conflict with the terms and conditions in the current solid waste facilities permit. The LEA approved the amendment on August 11, 2016.
