			RESULT: 01 - CORRECTIVE ACTION NOT REQUIRED	
			ACTION: 01 - NO FURTHER ACTION REQUIRED	

MOSQUITO AND VECTOR CONTROL - Poultry Ranch Permit ALL

40K988 City of Yucaipa - MMP

Compliance Date: Not Specified

Inspector Comments:

Not In Compliance

Reference - CCR - 216

Description: This poultry ranch is in compliance with the City of Yucaipa Ordinance Number 216.

Overall Inspection Comments

Inspection found:

Adult fly population was observed to be medium to heavy with the musca population reduced and the fannia still heavy.

No water system leaks were observed and the manure was dry.

Pesticide log showed Permethrin last used on 2/2/15 and Neporex on 1/27/15.

Adult fly bait stations are maintained but quantity needs to be increased.

The ranch is in compliance but fly population must continue to be reduced to remain so. I will reinspect the ranch on 2/10/15 and it will be billed at the county rate if there is no improvement.
