## RETAIL FOOD PLAN CHECK - Plan Check Retail Food Consultation

### 17K998 Consultation Inspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

**Inspector Comments:** A billable consultation was conducted this date regarding the shared operation of The Kitchen Station in Chino by Slim Meals 2 Go. Both the owners of Slim Meals 2 Go and The Kitchen Station were present during the consultation.

Based on the field assessment, Slim Meals 2 Go is hereby given approval to operate as a dependent facility at the host facility, The Kitchen Station provided that operator obtains San Bernardino Food Handler Card within 14 days and prior to operation.

Slim Meals 2 Go will be washing, handling, preparing, packaging and storing food products and utensils at The Kitchen Station in order to prepare packaged meals for delivery.

Slim Meals 2 Go will have full access to all cooking equipment, refrigeration, hand sinks, prep sink, 3-compartment sink, mop sink, restrooms, and lockers. One (1) shelf on a rack of 3 linear feet is labeled and designated for use by Slim Meals 2 Go at this time for storing utensils, dry goods, and other items. Designated dry storage is to be clearly labeled under the business name and must be adjusted according to need. Refrigeration storage is available on a first-come first-serve basis but must be adjusted as needed.

Slim Meals 2 Go intends to prepare 1 weeks' worth of meals at the facility on Saturdays for delivery or pick up on Sunday for at least 4 hours per month. Facility shall notify Division of Environmental Health regarding any change in hours of operation for inspection purposes.

Owner of Slim Meals 2 Go will be preparing food along with 2 food handlers. Operator unable to provide neither proof of valid San Bernardino Food Handler Card nor proof of valid food manager certificate. All employees must have valid San Bernardino County Food Handler Cards within 14 days of hire and a food manager certificate must be obtained within 60 days.

Per owner of Slim Meals 2 Go, food will be purchased from approved sources such as Restaurant Depot and transported to The Kitchen Station for preparation and storage.

Food safety principles were discussed with owner during consultation. Owner of Slim Meals 2 Go stated that foods will be kept cold in insulated bags during transport under 30 minutes. Operator instructed that mechanical refrigeration is required for transport time longer than 30 minutes. Operator also advised to verify and record internal temperatures of food prior to delivery and upon delivery.

The permit for the dependent facility may be suspended without affecting the operation or permit status of the host facility. However, if the permit for the host facility is suspended, the dependent facility permit must also be suspended. Reports for both host and dependent facility (once it has been issued its own health permit) will be available on the Environmental Health Services website.

A breach of contract or violation of kitchen agreement which results in host facility prohibiting use of premise by dependent facility may result in Environmental Health Services severing the shared kitchen agreement and invalidating the health permit. In case that the permit is to be discontinued, notify the office 10 business days in advance.

Informed owner of Slim Meals 2 Go that health permits are site-specific, food service, storage, or preparation at other sites are not covered by this health permit, and additional health permit(s) may be required for service and/or on-site preparation at public events.

A Health permit application, Shared Kitchen Agreement, and checks #1001 and 1002 in the amount of \$619.50 (\$497 for the health permit fee and \$122.50 consultation fee) were collected on site. A health permit will be mailed to the organization. Labeling requirements for packaged items will be emailed to the organization.

**Description:** A consultation inspection was conducted on this date.
