CalREDIE Provider Portal

to electronic reporting

California Reportable Disease Information Exchange (CalREDIE) is the California Department of Public Health's (CDPH) communicable disease reporting and surveillance system of record.

It is used by state and local public health officials and healthcare providers for communicable disease reporting and surveillance.

Reporter submits incident via PP

What is the Provider Portal (PP)?

Secure, web-based interface within CalREDIE

Electronically submit Confidential Morbidity Reports (CMRs)

Information automatically sent to CalREDIE

How can I start using the PP?

- 1 Click [here](#) to complete the Account Request Form. Email the completed form to your LHD. Click [here](#) to find your LHD representative.
- 2 CalREDIE Help will provide you your account information.
- 3 Start submitting!

LHD receives incident
