SAN BERNARDINO LAFCO APPLICATION AND PRELIMINARY ENVIRONMENTAL DESCRIPTION FORM

INTRODUCTION: The questions on this form and its supplements are designed to obtain enough data about the proposed project site to allow the San Bernardino LAFCO, its staff and others to adequately assess the project. By taking the time to fully respond to the questions on the forms, you can reduce the processing time for your project. You may also include any additional information which you believe is pertinent. Use additional sheets where necessary, or attach any relevant documents.

GENERAL INFORMATION

1. NAME OF PROPOSAL: Phelan Piñon Hills Community Services District Sphere of Influence Amendment (Expansion) and Reorganization to Include Annexation of Selected Properties into the Phelan Piñon Hills Community Services District and Detachment from County Service Area 70 Zone P-6

2. NAME OF APPLICANT: Phelan Piñon Hills Community Services District (CSD)
 MAILING ADDRESS: 4176 Warbler Road
Phelan, CA 92371
 PHONE: (760) 868-1212

3. GENERAL LOCATION OF PROPOSAL:

The Phelan Piñon Hills CSD's sphere of influence (SOI) expansion proposal includes an area located within the unincorporated San Bernardino County, adjacent to the existing CSD's northern boundary. The annexation would also require an expansion of the existing CSD sphere of influence boundary and would include five properties within the SOI expansion area: 0457-102-06, 0457-102-10, 0457-112-01, 0457-161-10, and 0457-102-09.

4. Does the application possess 100% written consent of each landowner in the subject territory?
 YES ___ NO X If YES, provide written authorization for change.

5. Indicate the reasons that the proposed action has been requested.

The Phelan Piñon Hills CSD obtained ownership of former dairy farm lands for additional water rights. Currently, property taxes of \$29,264 are being paid for these properties that are outside of the current CSD boundary. One parcel is still in the process of being transferred to Phelan Piñon Hills CSD ownership. Upon the transfer, the Phelan Piñon Hills CSD property taxes would become \$31,359. Upon expansion of the CSD's Sphere of Influence and annexation of the five (5) subject properties into the district, the

CSD can apply for property tax exempt status since these parcels would be within a governmental boundary. Also, the CSD would be able to provide a higher level of services to the annexation area for management of collection, transfer, and disposal of solid waste and parks and recreation, and would extend water service and street lighting service under the appropriate economic conditions only when extension of these services would be feasible.

6. Would the proposal create a totally or substantially surrounded island of unincorporated territory?
YES X NO If YES, please provide a written justification for the proposed boundary configuration.

The annexation of the five (5) subject properties are only for the purposes of additional water rights for the PPHCSD and not for the purpose of development or urbanization.

The Phelan Piñon Hills CSD currently practices environmental justice in providing the following four (4) public services within its existing boundaries: 1) water; 2) solid waste management; 3) parks and recreation; and, 4) street lighting. The CSD will continue to practice the principals of environmental justice upon annexation into the CSD.

Currently, the CSD provides domestic water and water quality services to residents within the CSD boundaries, except for residents or businesses within the Sheep Creek Mutual Water Company boundary. These services are not anticipated to be extended to the properties within annexation area. However, if they are extended, it would only be under the proper economic and development conditions, and would be the cost responsibility of the affected property owners.

Phelan Piñon Hills CSD provides street lighting in the business district and on selected public rights-of-way and intersections generally in and around the downtown Phelan area. While the annexation area will have access to the street lighting services that the Phelan Piñon Hills CSD operates, no street lighting services are anticipated to be provided at this time. These services would only be extended under the proper economic and development conditions, and with future residents of these areas subject to any applicable costs.
