CLARK H. ALSOP

January 5, 2016

**NOTICE OF FILING OF PROPOSED CHANGE
OF JURISDICTIONAL BOUNDARIES**

This Notice is provided pursuant to the provisions outlined in Section 56428 of the Government Code regarding the receipt of an application for amendment of a sphere of influence (LAFCO 3203). In addition, this Notice is provided pursuant to the provisions outlined in Section 99 of the Revenue and Taxation Code and in Section 56658 of the Government Code, regarding the receipt of an application for jurisdictional change (LAFCO 3204). The proposals received are generally defined as follows:

LAFCO Application Number and Title:

LAFCO 3203 – Sphere of Influence Amendment (Expansion) for the San Bernardino County Fire Protection District

LAFCO 3204 – Reorganization to include Annexation to the San Bernardino County Fire Protection District, its North Desert Service Zone, and the Dissolution of the Hesperia Fire Protection District

The study area encompasses the entirety of the Hesperia Fire Protection District located in the north desert region of San Bernardino County, generally bordered by a combination of parcel lines, the I-15 Freeway, and Bear Valley Road (existing City of Victorville) on the north; parcel lines along the Mojave River (combination of existing Apple Valley Fire Protection District and San Bernardino County Fire Protection District and its North Desert Service Zone) on the east; and a combination of parcel lines north of the National Forest boundary and parcel lines east and west of the I-15 Freeway (existing San Bernardino County Fire Protection District and its North Desert Service Zone) on the south and west.

The reorganization has been initiated by District Resolution to transfer its fire and emergency medical response obligations to the San Bernardino County Fire Protection District. The purpose of this change of organization is to fully integrate the operations of the Hesperia Fire Protection District into the San Bernardino County Fire Protection District and to take advantage of the economies of scale available within the broader fire organization.

A vicinity map of the subject territory and list of the affected and interested local agencies are attached.

This proposal is scheduled for a Departmental Review Committee (DRC) meeting on **February 4, 2016 at 1:00 p.m.**, in the LAFCO Conference Room, located at 215 North "D" Street, Second Floor, San Bernardino. Please provide the LAFCO office with your comments or concerns regarding this application by **January 28, 2016**. If you have any questions regarding the information provided by this Notice or the application review process, please contact our office at the number listed above.
